**Re: Commonwealth LNG, LLC – Submission of Long-Term Contract and Summary
DOE/HGEO Docket No. 19-134-LNG; DOE/HGEO Order Nos. 4521, 5238-A**

Dear Ms. Sweeney:

Pursuant to Ordering Paragraph D of DOE/HGEO Order 4521, and Ordering Paragraph F of DOE/HGEO Order 5238-A, Commonwealth LNG, LLC (“Commonwealth”) submits for filing under seal by overnight mail, non-redacted copies of two amendments to the long-term sale and purchase agreement (“SPA”), entered into with Aramco Trading Americas LLC (“Aramco”) on January 9, 2026 for the sale and long-term export of liquefied natural gas (“LNG”) from the Commonwealth LNG terminal. These amendments were entered into on the following dates:

- Amendment No. 1 — March 23, 2026
- Amendment No. 2 — April 22, 2026

These amendments revise certain aspects of the Aramco SPA currently on file with DOE/HGEO, including contracted deadlines and other administrative modifications. These amendments do not otherwise materially alter the terms of the SPA. Commonwealth respectfully requests confidential treatment of these amendments to the greatest extent permitted by law because they contain highly confidential and commercially sensitive and proprietary information. Consistent with Ordering Paragraph D of DOE/HGEO Order 4521, and Ordering Paragraph F of DOE/HGEO Order 5238-A, Commonwealth also includes with this filing a summary of the main provisions of the Aramco SPA following these amendments for public posting.

If you have any questions regarding this filing, please contact the undersigned.

Best regards,

/s/Timothy J. Furdyna
