**Re: Commonwealth LNG, LLC – Long-Term Contract Amendments and Summary
DOE/HGEO Docket No. 19-134-LNG; DOE/HGEO Order Nos. 4521, 5238-A**

Dear Ms. Sweeney:

Pursuant to Ordering Paragraph D of DOE/HGEO 4521, and Ordering Paragraph F of DOE/HGEO Order 5238-A, Commonwealth LNG, LLC (“Commonwealth”) submits for filing under seal by overnight mail, a non-redacted copy of an amendment to the long-term sale and purchase agreement (“SPA”) originally entered into with EQT LNG Trading LLC (“EQT”) on September 5, 2025 (as amended on December 17, 2025, February 16, 2026, and March 21, 2026) for the sale and long-term export of liquefied natural gas (“LNG”) from the Commonwealth LNG terminal. This amendment was entered into on April 10, 2026.

The amendment revises the Form of Guarantee requirements of the EQT SPA currently on file with DOE. The amendment does not otherwise materially alter the terms of the SPA. Commonwealth respectfully requests confidential treatment of the amendment to the greatest extent permitted by law because it contains highly confidential and commercially sensitive and proprietary information. Consistent with Ordering Paragraph D of DOE/HGEO Order 4521, and Ordering Paragraph F of DOE/HGEO Order 5238-A, Commonwealth also includes with this filing a summary of the main provisions of the EQT SPA following the amendment for public posting.

If you have any questions regarding this filing, please contact the undersigned.

Best regards,

/s/Timothy J. Furdyna
