

PART 911—DESCRIBING AGENCY NEEDS

Authority: 42 U.S.C. 2201; 2282a; 2282b; 2282c; 42 U.S.C. 7101 50 U.S.C. 2401

Subpart 911.6—Priorities and Allocations

911.600 Scope of subpart.

This subpart implements and supplements 48 CFR subpart 11.6, Priorities and Allocations. It also implements the Defense Priorities and Allocations System (DPAS) regulations and procedures for solicitations and contracts that support authorized national defense programs. (See 15 CFR part 700.)

911.602 General.

The Heads of Contracting Activities must ensure that their staff and the contractors under their authority understand the DPAS regulation and follow its procedures. They must also ensure compliance throughout the entire industrial supply chain. Under DPAS, contractors must extend the priority rating through each level of the supply chain for industrial resources needed to fill the orders (except as otherwise identified in the order).

911.604 Solicitation provision and contract clause.

(a) The contracting officer will include the provision at 952.211-70, Priorities and Allocations (Atomic Energy), in solicitations that will result in rated orders supporting authorized DOE atomic energy programs.

(b) The contracting officer will include the clause at 952.211-71, Priorities and Allocations (Atomic Energy), in contracts issued in support of authorized DOE atomic energy programs.

(c) Use of the provision at 952.211-70 and the clause at 952.211-71 is optional for industrial delivery orders of \$5,000 or less.

PART 952—SOLICITATION PROVISIONS AND CONTRACT CLAUSES

952.211 Clauses related to contract delivery or performance.
