

Acknowledgments

The 3D Houses were developed by Joshua Bauer (National Laboratory of the Rockies), Jal Desai (National Laboratory of the Rockies), and Cory Chovanec (National Laboratory of the Rockies). The development team would like to acknowledge the U.S. Department of Energy's Weatherization and Intergovernmental Programs Office for funding this work, Derek Schroeder (U.S. Department of Energy), and Chuck Kurnik (National Laboratory of the Rockies) for their help, review, and feedback.

Licensing and Agreements

Alliance for Energy Innovation, LLC, the manager and operator of the National Laboratory of the Rockies (NLR) under Prime Contract NO. DE-AC36-08GO28308 with the U.S. Department of Energy (DOE) is licensing the 3D Houses to all users. The 3D Houses are available publicly under the Creative Commons Attribution—No Derivatives license.

In addition, the Creative Commons Attribution—No Derivatives license applies to Installer Passport and Verification Criteria. This gives the user permission to distribute augmented material as long as the NLR core material is unchanged. Examples of augmented materials includes images, videos, or additional text.

When using or distributing any copies of the 3D Houses in this way, users must provide the following copyright notice:
