

ONENNSAccess John A. Gordon Albuquerque Complex

Access Instructions

We Look Forward to Hosting You!

- ★ Thank you for your interest in [OneNNSAccess \(ONA\)](#) at the [John A. Gordon Albuquerque Complex \(JAGAC\)](#). Please review the information below for visitor access to JAGAC and Kirtland Air Force Base (KAFB) via ONA.
- ★ If you are unable to access ONA, please navigate to the [Energy Hub Registration Portal](#).

Before You Go

- ★ Confirm your HSPD-12 credential is up-to-date and you know your PIN.
- ★ Go to the [ONA Registration Homepage](#), select "Request to Enroll" under the JAGAC icon and submit the required information.
- ★ You will receive a confirmation email from the Complex Management Team with next steps.
NOTE: JAGAC visitors who enroll their credential in advance using ONA are still required to stop at the JAGAC Visitor Control and Badge Office (VCBO) upon arrival to complete enrollment with a unique pin. Visit the [Visitor Control and Badge Office](#) site for more information.

When You Arrive

- ★ New visitors to JAGAC/KAFB, enter through the Truman Gate Visitor Center. **Questions? Call 505-853-0397.**
- ★ After arriving at the Truman Gate Visitor Center, proceed right to see the Defense Biometrics Identification System (DBIDS) team to get your pass. (*Going left requires a sponsor for base entry.*)
- ★ Your DBIDS card (not your HSPD-12 credential) allows entry to KAFB. With that, proceed to JAGAC located at 24600 20th Street SE, Kirtland Air Force Base, Albuquerque, New Mexico 87117.
- ★ Visit the JAGAC VCBO in the main lobby to complete your ONA enrollment.
- ★ Visitors planning to be onsite all day must park in **general parking spaces**. Visitor parking spaces on the west end of the front of the building are for short-term use only (2 hours or less).

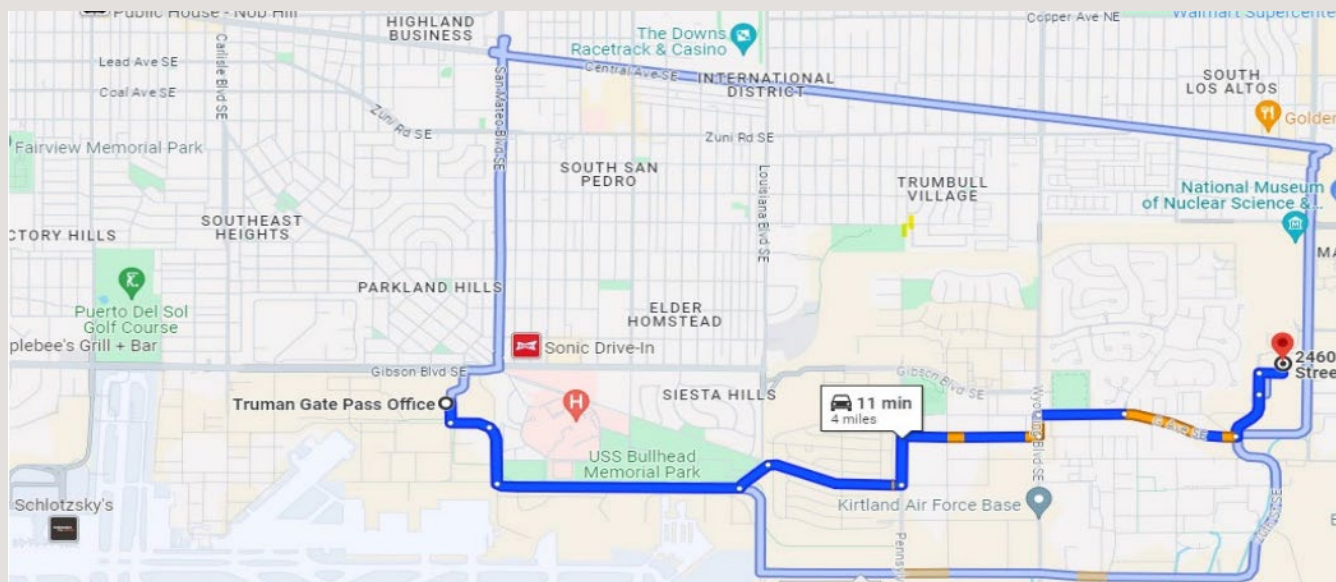

Congratulations! You now have access to JAGAC. For questions, please contact the JAGAC VCBO at abqcomplexbadgeoffice.ona@nnsa.doe.gov.

KAFB Gate Security Notice: Vehicle & Personnel Inspection

All persons/vehicles entering Kirtland Air Force Base are subject to search/inspection (U.S.C. 797). This includes visual inspection of visible vehicle areas, and searches during probable cause or random periods.

OPENING BACK SEAT WINDOWS UPON APPROACH TO GATES CAN REDUCE CONGESTION AND WAIT TIMES.

- Established Random Vehicle Inspection protocols remain.
- Refusal of visual back seat inspection (excluding Federal Law Enforcement Officers on Official Business) will result in denied installation access.

Signage at all Installation Access Points provides full details.
Thank you for your cooperation in maintaining security.
