Re: **ECA Liquefaction, S. de R.L. de C.V.**
FE Docket No. 18-144-LNG (ECA Mid-Scale Project)
Registration of Sempra Gas & Power Marketing, LLC as Exporter of Natural Gas
to ECA Liquefaction, S. de R.L. de C.V. Facility

Dear Ms. Sweeney:

Sempra Gas & Power Marketing, LLC (“SGPM”) has executed a long-term Gas Sales Agreement with ECA Liquefaction, S. de R.L. de C.V. (“ECA Liquefaction”) to supply U.S.-sourced natural gas to ECA Liquefaction’s LNG facility located north of the city of Ensenada, Baja California, Mexico. ECA Liquefaction holds several export authorizations (“Export Authorizations”) that have been granted by the Department of Energy, Office of Fossil Energy and Carbon Management (“DOE/FECM”).¹ Under Order Nos. 4317, *et seq.*, ECA Liquefaction has authorization to export natural gas and re-export LNG on its own behalf and as agent for other entities who hold title to the natural gas at the time of export to Mexico and/or to the U.S.-sourced natural gas at the time it is re-exported as LNG from Mexico.² ECA Liquefaction must register

¹ See *Energía Costa Azul, S. de R.L. de C.V.*, FE Docket No. 18-144-LNG, DOE/FE Order Nos. 4317, *et seq.* (FTA) & Order Nos. 4364, *et seq.* (Non-FTA). The Export Authorizations were initially issued to Energía Costa Azul, S. de R.L. de C.V. (“ECA”). On August 15, 2019, ECA and ECA Liquefaction filed an application with DOE to transfer the Export Authorizations to ECA Liquefaction. See Application to Transfer Long-Term, Multi-Contract Authorizations to Export Natural Gas to Mexico and to Export Liquefied Natural Gas from Mexico to Free Trade Agreement and Non-Free Trade Agreement Nations, FE Docket No. 18-144-LNG (Aug. 15, 2019). On October 7, 2019, DOE/FE granted the requested transfer of the authorizations. See DOE/FE Order Nos. 4317-A & 4364-A, FE Docket No. 18-144-LNG, Order Granting Request to Transfer Authorizations (Oct. 7, 2019).

² See Order No. 4317 at 9–10 (Jan. 25, 2019).

such entities with DOE/FECM.³ SGPM will export natural gas by pipeline from the United States to Mexico, which will supply the ECA Liquefaction terminal.

Pursuant to the Export Authorizations, SGPM is supplying herewith the registration information for SGPM to DOE/FECM.

Please contact the undersigned concerning any questions or additional company registration information that may be required.

Respectfully submitted,

/s/ Brett A. Snyder

Brett A. Snyder
Counsel for ECA Liquefaction, S. de R.L. de C.V.
