CIVILIAN AGENCY ACQUISITION LETTER 2009-04

DEC 01 2009

MEMORANDUM FOR CIVILIAN AGENCIES OTHER THAN NASA

FROM: *Edward J. L...*
AL MATERA
CHAIRMAN
CIVILIAN AGENCY ACQUISITION COUNCIL

SUBJECT: Class Deviation from the Federal Acquisition Regulation (FAR)
13.5, Test Program for Certain Commercial Items

This memorandum serves as consultation for the extension of the test program discussed in FAR 13.5. The current test program will expire on January 1, 2010.

An expedited FAR case is being processed to change the date of expiration for the program in FAR 13.500(d). This final rule will amend the FAR to revise 13.500(d) to implement Section 816 of the National Defense Authorization Act of Fiscal Year 2010 (NDAA FY 2010). Section 816 of the NDAA FY 2010 strikes out "2010" in subsection (e) as amended by Section 822 of the National Defense Authorization Act for Fiscal Year 2008 (Pub. L. 110—181) and inserts "2012." Subpart 13.5 authorizes as a test program, the use of simplified procedures for the acquisition of certain commercial items in amounts greater than the simplified acquisition threshold, but not exceeding \$5.5 million, including options, if the contracting officer can reasonably expect that offers will include commercial items. Subpart 13.500(d) authorizes the contracting officer to issue solicitations under this Subpart until January 1, 2010. The final rule will extend this authority to January 1, 2012.

Pending issuance of a final rule effecting that change, it is recommended that civilian agencies authorize a class deviation in accordance with FAR 1.404 to extend the program.
