**SUBJECT:** Contractor Performance Assessment Reporting System (CPARS) Web Based Training Classes - Revision

**SUMMARY:** This Policy Flash updates and revises Policy Flash 2010-32. The DOE Acquisition Career Manager (ACM) has approved Continuous Learning Points (CLPs) for Contractor Performance Assessment Reporting System (CPARS) web based training classes. See the attachment for list of classes, which now includes Federal Awardee Performance and Integrity Information System (FAPIIS) training and revises the continuous learning points (CLP) from 1 CLP to 2 CLPs for two hour classes.

Anyone who has taken a CPARS web based training class within their most recent 2 year recertification period may request CLPs. To receive credit the employee will need to add this training to their individual development plan and have the local Site Acquisition Career Manager or supervisor approve the CLPs.
