

## **POLICY FLASH 2013-33**

**DATE:** February 27, 2013

**TO:** Procurement Directors

  
**FROM:** Director, Contract and Financial Assistance Policy Division  
Office of Policy  
Office of Acquisition and Project Management

**SUBJECT:** DOE O 206.2 Identity, Credential, and Access Management (ICAM)

**SUMMARY:** The Department issued a Contractor Requirements Document (CRD) for the subject Directive on February 19, 2013.

Under the Department's Directives Program (DOE Order 251.1C), Heads of Field Elements are generally responsible for determining which contracts are to include the CRD. Contracting Officers, once notified, are responsible for incorporating the CRD into affected contracts. Since some Heads of Field Elements may not be aware that this change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at [www.directives.doe.gov](http://www.directives.doe.gov).
