

U.S. Department of Energy Shuttle Bus Passenger List

Time: _____

Driver's Signature: _____

Trip: (Check One)

Date: _____

Bus Number: _____

Northbound
Southbound

The U.S. Department of Energy (DOE) Shuttle operates Express between the Germantown Building and the Washington Office (Forrestal Building). ICC regulations prohibits en-route stops. The information being collected below is for the purpose of identifying individuals utilizing DOE Shuttle service. It is not retrievable by a personal identifier and is, therefore, not being kept in a Privacy Act system of records.

Official Government Travelers

I certify that travel on this trip is for Official Government business.
