As amended to 1 June 2007

The Contracting Parties

CONSIDERING that the Contracting Parties, being either governments of International Energy Agency ("Agency") countries or parties designated by their respective governments, wish to take part in the establishment and operation of a Co-operative Programme on Hybrid and Electric Vehicle Technologies and Programmes (the "Programme") as provided in this Agreement, and to hold open to non-Members of the Agency or their designees the opportunity to participate in the Programme as Associate Contracting Parties;

CONSIDERING that the governments of Agency countries have agreed in Article 41 of the Agreement on an International Energy Program (the "I.E.P. Agreement") to undertake national programmes in the areas set out in Article 42 of the I.E.P. Agreement, including energy research and development and agreed in Chapter IV of the Long-Term Co-operation Programme, adopted by the Governing Board of the Agency on 30th January, 1976, to undertake co-operative activities including jointly financed programmes and projects in energy research and development;

CONSIDERING that the Governing Board of the Agency on 19th October, 1993 approved the Programme as a special activity under Article 65 of the I.E.P. Agreement;

CONSIDERING that numerous proposals for international co-operation were set forth at the International Conference on the Urban Electric Vehicle which the Agency sponsored in Stockholm, Sweden on 25th-27th May, 1992;

CONSIDERING the growing participation in events sponsored by the World Electric Vehicle Association and its constituent bodies, most recently the Eleventh Electric Vehicle Symposium held in Florence, Italy on 27th-30th September, 1992;

CONSIDERING that the Agency has recognized the establishment of the Programme as an important component of international co-operation in the field of energy research and development;

HAVE AGREED as follows:

Article 1

OBJECTIVES

(a) *Scope of Activity.* The Programme to be carried out by the Contracting Parties within the framework of this Agreement (the "Participants") shall consist of research, development, demonstration, analysis and information exchange related to hybrid and electric vehicles and the use of light-weight materials in all types of road vehicles. Hybrid vehicles in this context may include any autonomous road vehicle with two major energy storage devices and with two major energy conversion devices used for the propulsion of the vehicle. Electric vehicles in this context may include any autonomous road vehicle with an electric drive powered by batteries or fuel cells. Components of the Programme shall include information exchange on EV/HEV technologies and programmes, assessment of EV/HEV impacts on energy and the environment, development of EV/HEV technical data and testing methods, support for design of internationally compatible EV infrastructure, research and development of advanced EV/HEV batteries and capacitors, and design of light-weight EVs/HEVs. Care shall be taken to co-ordinate the Programme with related efforts by governments, manufacturers, utilities, standard-setting organizations, Citelec, and the World Electric Vehicle Association and its constituent bodies to ensure that the work undertaken has the greatest possible impact. By means of the co-operative activity envisioned, Participants hope to provide governments, local authorities, large users and industries with objective information on electric and hybrid vehicles and their effects on energy efficiency and the environment, by the means of general studies, assessment, demonstrations, comparative evaluation of various options of applications, market studies and technology evaluations, and so forth. They also aim to produce and disseminate in participating countries information such as pamphlets, reports etc. which are of interest to a wider audience.

(b) *Method of Implementation.* The Participants shall implement the Programme by undertaking one or more tasks (the "Task" or "Tasks") described in Annexes to this Agreement. Each Annex will be open to participation as provided in Article 2 hereof. The Contracting Parties which participate in a particular Task are, for the purposes of that Task, referred to in this Agreement as "Annex Participants".

(c) *Task Co-ordination and Co-operation.* The Contracting Parties shall co-operate in co-ordinating the work of a given Task and shall endeavour, on the basis of an appropriate sharing of burdens and benefits, to encourage co-operation among Participants engaged in the Tasks with the objective of advancing the state of understanding of all Contracting Parties in the field of hybrid and electric vehicles.

Article 2

ANNEXES

(a) *Initiation of Annexes.* Annexes may be initiated by two or more Contracting Parties as follows:

- (1) The Contracting Parties shall submit to the Executive Committee a draft Annex;
- (2) The Executive Committee, acting by majority, shall adopt such Annexes pursuant to Article 3(e)(2) below;
- (3) The participation in any Annex by any Participant identified therein shall become effective upon receipt by the Executive Director of the IEA of written notice of the participation in that Annex by the Participant;
- (4) In carrying out the Tasks of various Annexes, the Participants and Operating Agents shall co-ordinate their activities to avoid duplication of Tasks.

(b) *Entry into force.* A given Annex shall come into force as determined by the Executive Committee, acting by majority.

(c) *Application of Annexes.* Each Annex shall be binding only upon the Participants therein and upon the Operating Agent for that Annex, and shall not affect the rights or obligations of other Contracting Parties.

Article 3

THE EXECUTIVE COMMITTEE

(a) *Supervisory Control.* Control of the Programme shall be vested in the Executive Committee constituted under this Article.

(b) *Membership.* The Executive Committee shall consist of one member designated by each Contracting Party; each Contracting Party shall also designate an alternate member to serve on the Executive Committee in the event that its designated member is unable to do so.

(c) *Responsibilities.* The Executive Committee shall:

- (1) Adopt for each calendar year, acting by unanimity, the Programme of Work and Budget and if foreseen, for the Programme of Work and Budget for each Annex, together with an indicative programme of work and budget for the following two calendar years; the Executive Committee may, acting by unanimity, as required, make adjustments within the framework of the Programme of Work and Budget;

- (2) Make such rules and regulations as may be required for the sound management of the Annexes, including financial rules as provided in Article 7 hereof;
- (3) Carry out the other functions conferred upon it by this Agreement and the Annexes hereto;
- (4) Delegate to the Chairman -and the Secretary, acting on behalf of the Chairman- the authority to invite individuals or representatives that are not already Participants to be present at any Executive Committee meeting, or any workshop, conference or similar event under the Programme, provided, however, that a given individual or representative be present only on an occasional or infrequent basis unless he or she, or the organisation he or she represents, intends to become a Participant in the near future; and
- (5) Consider any matters submitted to it by any of the Operating Agents or by any Contracting Party.

(d) *Procedures.* The Executive Committee shall carry out its responsibilities in accordance with the following procedures:

- (1) The Executive Committee shall each year elect a Chairman and one or more Vice-Chairmen;
- (2) The Executive Committee may establish such subsidiary bodies and rules of procedure as are required for its proper functioning;
- (3) A representative of the Agency and a representative of each Operating Agent (in its capacity as such) may attend meetings of the Executive Committee and its subsidiary bodies in an advisory capacity;
- (4) The Executive Committee shall meet in regular session not less than once each year; a special meeting shall be convened upon the request of any Contracting Party which can demonstrate the need therefor;
- (5) Meetings of the Executive Committee shall be held at such time and in such office or offices as may be designated by the Committee;
- (6) At least twenty-eight days before each meeting of the Executive Committee, notice of the time, place and purpose of the meeting shall be given to each Contracting Party and to other persons or entities entitled to attend the meeting; notice need not be given to any person or entity otherwise entitled thereto if notice is waived before or after the meeting;

In that case, the Executive Committee Chair shall ensure that all Executive Committee representatives (1) receive the necessary documentation in relation to to each decision or recommendation and (2) be given no less than twenty-one days (21) to vote from the date of delivery of the written procedure documentation, or any other period as may be determined by the Executive Committee, acting by unanimity. To the extent that a written procedure is undertaken by e-mail and the written procedure includes language such that a lack of response by a given member will be deemed an affirmative vote, the Chairman will also send such

written procedure by facsimile to each member. Such written procedure shall be taken by unanimity or majority of such members as required under paragraph (e)(1). The Chairman of the Executive Committee shall ensure that all Participants, or the Annex Participants, as the case may be, are informed of each decision or recommendation made pursuant to this sub-paragraph.

(d) *Reimbursement of Costs.* The Executive Committee may provide that expenses and costs incurred by an Operating Agent in acting as such pursuant to this Agreement shall be reimbursed to the Operating Agent from funds made available by the Annex Participants pursuant to Article 7 hereof.

(e) *Replacement.* Should the Executive Committee wish to replace an Operating Agent with another government or entity, the Executive Committee may, acting by unanimity and with the consent of such government or entity, replace the initial Operating Agent. References in this Agreement to the "Operating Agent" shall include any government or entity appointed to replace the original Operating Agent under this paragraph.

- (f) *Resignation.* An Operating Agent shall have the right to resign at any time by giving six months written notice to that effect to the Executive Committee, provided that:
- (1) A Participant, or entity designated by a Participant, is at such time willing to assume the duties and obligations of the Operating Agent and so notifies the Executive Committee and the Annex Participants to that effect, in writing, not less than three months in advance of the effective date of such resignation; and
 - (2) Such Participant or entity is approved in its function of Operating Agent by the Executive Committee, acting by unanimity.

Article 6

ADMINISTRATION AND STAFF

- (a) *Administration of Annexes.* Each Operating Agent shall be responsible to the Executive Committee for implementing its designated Annex in accordance with this Agreement, the applicable Task Annex, and the decisions of the Executive Committee.
- (b) *Staff.* It shall be the responsibility of the Operating Agent to retain such staff as may be required to carry out a designated Task in accordance with rules determined by the Executive Committee. The Operating Agent may also, as required, utilize the services of personnel employed by other Participants (or organizations or other entities designated by Contracting Parties) and made available to the Operating Agent by secondment or otherwise. Such personnel shall be remunerated by their respective employers and shall, except as provided by the Executive Committee, be subject to their employers' conditions of service. The Contracting Parties shall be entitled to claim the appropriate cost of such remuneration or to receive an appropriate credit for such cost as part of the Budget of the Task, in accordance with Article 7(f)(6) hereof.

Article 7

FINANCE

(a) *Individual Financial Obligations.* Each Contracting Party shall bear the costs it incurs in carrying out this Agreement, including the costs of formulating or transmitting reports and of reimbursing its employees for travel and other per diem expenses incurred in connection with work carried out on the respective Tasks, unless provision is made for such costs to be reimbursed from common funds as provided in paragraphs (b) and (h) below.

(b) *Common Financial Obligations.* The Executive Committee may agree, acting by unanimity, to establish a common fund to share the costs of its responsibilities and administrative activities set forth under Article 3 hereof. In addition, Annex Participants wishing to share the costs of a particular Task shall agree in the appropriate Task Annex to establish a separate common fund. The apportionment of contributions to such common funds (whether in the form of cash, services rendered, intellectual property or the supply of materials) as well as the management and use of such common funds shall be governed by the regulations and decisions made pursuant to this Article by the Executive Committee, acting by unanimity.

(c) *Financial Rules, Expenditure.* The Executive Committee, acting by unanimity, may make such regulations as are required for the sound financial management of each common fund including, where necessary:

- (1) Establishment of budgetary and procurement procedures to be used by the Operating Agent in making payments from the appropriate common fund;
- (2) Establishment of minimum levels of expenditure for which Executive Committee approval shall be required, including but not limited to expenditure involving payment of monies to the Operating Agent for other than routine salary and administrative expenses previously approved by the Executive Committee in the budget process.

In the expenditure of common funds, the Operating Agent shall take into account the necessity of ensuring a fair distribution of such expenditure in the Participants' countries, where this is fully compatible with the most efficient technical and financial management of the Task.

(d) *Crediting of Income to Budget.* Any income which accrues from a Task shall be credited to the Budget of that Task.

(e) *Accounting.* The system of accounts employed by the Operating Agent shall conform to accounting principles generally accepted in the country of the Operating Agent and shall be consistently applied.

(f) *Programme of Work and Budget, Keeping of Accounts.* Should Participants or Annex Participants agree to maintain common funds for the payment of obligations under the

Programme of Work and Budget of this Agreement or a programme of work and budget of a Task, the following provisions shall be applicable unless the Executive Committee, acting by unanimity, decides otherwise:

- (1) The financial year of a given Task or of the Programme of Work and Budget shall correspond to the financial year of the Operating Agent;
- (2) The relevant Operating Agent shall each year prepare and submit to the Executive Committee for approval a draft programme of work and budget, together with an indicative programme of work and budget for the following two years, not later than three months before the beginning of each financial year; the Executive Committee shall then transmit the final programme, once approved, to the Agency.
- (3) The relevant Operating Agent shall maintain complete and separate financial records which shall clearly account for all funds and property coming into the custody or possession of the Operating Agent in connection with the relevant Annex or the Programme of Work and Budget, as the case may be;
- (4) Not later than three months after the close of each financial year the Operating Agent shall submit to independent auditors selected by the Executive Committee for audit the annual accounts maintained in any Annex common fund. An individual designated by the Executive Committee shall do the same for the common fund of the Agreement. Upon completion of the annual audit, the Operating Agent, or the Executive Committee's designee in the case of the Agreement's common fund, shall present the accounts together with the auditors' report to the Executive Committee for approval;
- (5) All books of account and records maintained by any Operating Agent shall be preserved for at least three years from the date of termination of the Task;
- (6) Where provided in a given Annex, an Annex Participant supplying services, materials or intellectual property to a Task shall be entitled to a credit, determined by the Executive Committee, acting by unanimity, against its contribution (or to compensation, if the value of such services, materials or intellectual property exceeds the amount of the Participant's contribution); such credits for services of staff shall be calculated on an agreed scale approved by the Executive Committee and include all payroll-related costs.

(g) *Currency of Contributions.* Contributions due hereunder from the Contracting Parties shall be paid in the currency of the Operating Agent, unless another currency is specified by the Operating Agent in agreement with the Executive Committee for the purpose of meeting a commitment in that currency.

(h) *Contribution to Common Funds.* Should Annex Participants agree to establish common funds, any financial contributions due from Participants in a given Task shall be paid to the Operating Agent in the currency of the country of the Operating Agent at such times and upon

such other conditions as the Executive Committee, acting by unanimity, shall determine, provided, however, that:

- (1) Contributions received by the Operating Agent shall be used solely in accordance with the programme of work and budget for the Annex;
- (2) The Operating Agent shall be under no obligation to carry out any work on a given Task until contributions amounting to at least fifty per cent (in cash terms) of the total due at any one time have been received.

(i) *Ancillary Services.* Ancillary services may, as agreed between the Executive Committee and the Operating Agent, be provided by that Operating Agent for the operation of a Task and the cost of such services, including overheads connected therewith, may be met from budgeted funds of that Task.

(j) *Taxes.* The Operating Agent shall pay all taxes and similar impositions (other than taxes on income) imposed by national or local governments and incurred by it in connection with a Task, as expenditure incurred in the operation of that Task under the Budget; the Operating Agent shall, however, endeavour to obtain all possible exemptions from such taxes.

(k) *Audit of an Annex Common Fund.* Each Annex Participant shall have the right, at its sole cost, to audit the accounts of any work in an Annex in which it participates and for which common funds are maintained, on the following terms:

- (1) The Operating Agent shall provide the other Annex Participants with an opportunity to participate in such audits on a cost-shared basis;
- (2) Accounts and records relating to activities of the Operating Agent other than those conducted for the Task shall be excluded from such audit, but if the Participant concerned requires verification of charges to the Budget representing services rendered to the Task by the Operating Agent, it may, at its own cost, request and obtain an audit certificate in this respect from the auditors of the Operating Agent;
- (3) Not more than one such audit shall be allowed in any financial year;
- (4) Any such audit shall be carried out by not more than three representatives of the Annex Participants.

Article 8

PROCUREMENT PROCEDURES

All procurement of equipment and material shall be in accordance with the procedures laid down by the Executive Committee under Article 7(c)(1) hereof, which shall provide, inter alia:

- (1) The Operating Agent of each Annex shall have the power to enter into agreements and contracts for all necessary support, design and developmental services, and material fabrication and facility construction activities in the interest of the Annex, provided that such agreements and contracts are authorized in an approved Budget or by the provisions of this Agreement or by the express authority of the Executive Committee;
- (2) No Operating Agent shall enter into any agreement for a total value of more than US \$10,000 without the prior approval of the Executive Committee;
- (3) The Operating Agent for each Annex shall perform all procurement functions that may be necessary to carry out activities under the Annex, in accordance with the procurement procedures adopted by the Executive Committee pursuant to Article 7(c)(1) hereof;
- (4) Consistent with the aforementioned procurement procedures, the Operating Agent shall undertake to secure the best contractual terms and conditions available including, where possible, provision for title to all intellectual property generated under the Agreement, for a royalty-free licence for the use of background intellectual property for the purposes of the Task alone, and for the right on reasonable terms and conditions in accordance with Article 9 hereof for the Contracting Parties to use such background intellectual property commercially.

Article 9

INFORMATION AND INTELLECTUAL PROPERTY

Pursuant to the General Guidelines Concerning Information and Intellectual Property, approved by the Governing Board of the Agency on 21st November, 1975, the following information and intellectual property provisions shall generally apply to this Agreement and each of its constituent Annexes. Exceptions and additions to these provisions may be made in any particular Annex, in which case they shall apply to that Annex alone.

(a) *Executive Committee's Powers.* The publication, distribution, handling, protection and ownership of information and intellectual property arising from each Annex shall be determined

by the Executive Committee, acting by unanimity, in conformity with this Agreement and the laws of the countries of the Annex Participants.

(b) *Proprietary Information.* The Operating Agent and the Annex Participants shall take all necessary measures in accordance with this Article, the laws of their respective countries, and international law to protect proprietary information. For the purposes of this Article, proprietary information shall mean information of a confidential nature such as trade secrets and know-how (for example, computer programmes, design procedures and techniques, chemical composition of materials, and manufacturing methods, processes, or treatments) which:

- (1) Is not generally known or publicly available from other sources;
- (2) Has not previously been made available by the owner to others without obligation concerning its confidentiality; and
- (3) Is not already in the possession of the recipient Annex Participant without obligation concerning its confidentiality.

It shall be the responsibility of each Annex Participant supplying proprietary information to identify the information as such and to ensure that it is appropriately marked.

(c) *Production of Relevant Information by Governments.* The Operating Agent should encourage the governments of all Contracting Parties to make available or to identify to the Operating Agent all published or otherwise freely available information known to them that is relevant to the performance of the work under each Annex. The Annex Participants should notify the Operating Agent of all pre-existing information, and information developed independently of the Annex known to them which is relevant to the Annex and which can be made available without contractual or legal limitations.

(d) *Production of Available Information by Participants.* Each Annex Participant agrees to provide to the Operating Agent all previously existing information and information developed independently of the Annex which is needed by the Operating Agent to carry out its functions in that Annex, which is freely at the disposal of the Annex Participant, and the transmission of which is not subject to any contractual and/or legal limitations:

- (1) If no substantial cost is incurred by the Annex Participant in making such information available, at no charge to the Annex.
- (2) If substantial costs must be incurred by the Annex Participant to make such information available, at such charge to the Annex as shall be agreed between the Operating Agent and the Annex Participant with the approval of the Executive Committee.

(e) *Use of Proprietary Information.* If an Annex Participant has access to proprietary information which would be useful to the Operating Agent in conducting studies, assessments, analyses, or evaluations, such information may be communicated to the Operating Agent in accordance with an agreement between the Operating Agent and the specific Annex Participant

setting forth the terms and conditions for such acceptance; but the proprietary information shall not become part of reports, handbooks, or other documentation, nor be communicated to the other Annex Participants except as may be agreed in writing between the Operating Agent and the Annex Participant which supplied such information.

(f) *Arising Proprietary Information.* It shall be the responsibility of the Operating Agent to identify information arising from each Task which qualifies as proprietary information under this Article and to ensure that it is appropriately marked. If any Annex Participant questions the decision of the Operating Agent regarding the proprietary nature of arising information, the question shall be submitted to the Executive Committee for decision. Proprietary information arising from any Task shall be the property of the Operating Agent for the benefit of the Participants in the Task. The Operating Agent shall license such proprietary information for non-exclusive use as follows:

- (1) To each Annex Participant:
 - (i) On the most favourable terms and conditions for use by the Annex Participant in its own country;
 - (ii) On favourable terms and conditions for the purpose of sub-licensing others for use in its own country.

In each case, the terms and conditions are to be stipulated by the Executive Committee taking into account the equities of the Annex Participants based upon the sharing of obligations, contributions, rights and benefits of all Participants.

- (2) Subject to sub-paragraph (1) above, to each Annex Participant for use in all countries, on reasonable terms and conditions stipulated by the Executive Committee taking into account the equities of the Annex Participants based upon the sharing of obligations, contributions, rights and benefits of all Participants;
- (3) To the government of any Contracting Party and nationals designated by it, for use in such country in order to meet its energy needs, on terms and conditions stipulated by the Executive Committee taking into account any equitable conditions which may arise;
- (4) To entities and persons not mentioned above in this paragraph, if agreed by the Executive Committee, on terms and conditions stipulated by the Executive Committee.

(g) *Acquisition of Information.* Each Annex Participant shall inform the Operating Agent of the existence of information known to the Annex Participant that can be of value to the Annex, but which is not freely available, and the Annex Participant shall endeavour to make the information available to the Annex under reasonable conditions.

(h) *Exchange of Information with Others.* The Executive Committee may, acting by unanimity, make arrangements for the acquisition of information from sources other than the

Annex Participants. The Executive Committee shall, acting by unanimity, determine the rules by which information available to Annex Participants may be made available to governments, utilities, research institutions, and other appropriate entities of countries which do not participate in an Annex.

(i) *Reports on Work Performed.* The Operating Agent of each Annex shall provide reports on all work performed under the Annex and the results thereof, including studies, assessments, analyses, evaluations and other documentation, but excluding proprietary information, to the Annex Participants.

(j) *Copyright.* The Operating Agent of each Annex may take appropriate measures necessary to protect copyrightable material generated under that Annex. Copyrights obtained shall be held for the benefit of the Annex Participants, in accordance with Article 5(b)2 hereof. Annex Participants may reproduce and distribute such material, but shall not publish it with a view to profit, except as agreed by the Executive Committee, acting by unanimity.

(k) *Authors.* Each Annex Participant shall, without prejudice to any rights of authors under its national laws, take necessary steps to provide the co-operation with its authors required to carry out the provisions of this paragraph. Each Annex Participant will assume the responsibility to pay awards or compensation required to be paid to its employees according to the laws of its country.

(l) *Access to Information and Reports.* Annex Participants shall be entitled without charge to have access to the information and reports produced by the Operating Agent of that Annex. The Executive Committee shall lay down guidance as to the use any other Participant may make of the information and, where appropriate, the charges to be imposed.

(m) *Effect of Termination or Withdrawal.* The obligations of paragraph (l) above shall survive the termination of this Agreement or the withdrawal of any Participant. The Executive Committee shall, at the time of such termination or withdrawal, adopt appropriate measures for the subsequent application of those obligations and related questions.

Article 10

LEGAL RESPONSIBILITY AND INSURANCE

(a) *Liability of the Operating Agent.* The Operating Agent shall use all reasonable skill and care in carrying out its duties under this Agreement in accordance with all applicable laws and regulations. Except as otherwise provided in this Article, the cost of all damage to property, and all expenses associated with claims, actions, and other costs arising from work approved by the Executive Committee and undertaken with common funds for a Task shall be charged to the Budget of that Task; such costs and expenses arising from other work undertaken for a Task shall be charged to the Budget of that Task if the Task Annex so provides or the Executive Committee, acting by unanimity, so decides.

(b) *Insurance.* The Operating Agent shall propose to the Executive Committee all necessary liability, fire and other insurance, and shall carry such insurance as the Executive Committee may direct. The cost of obtaining and maintaining insurance shall be charged to the Budget of the Task.

(c) *Responsibility of the Operating Agent.* The Operating Agent shall, in accordance with the laws of the country of the Operating Agent, be responsible in its capacity as such for any damage to property and all legal liabilities, actions, claims, costs and expenses connected therewith to the extent that they:

- (1) Result from the failure of the Operating Agent to maintain such insurance as it may be required to maintain under paragraph (b) above; or
- (2) Result from the gross negligence or wilful misconduct of any officers or employees of the Operating Agent in carrying out their duties under this Agreement.

Article 11

LEGISLATIVE PROVISIONS

(a) *Accomplishment of Formalities.* Each Participant shall request the appropriate authorities of its country (or its Member States in the case of an international organization) to use their best endeavours, within the framework of applicable legislation, to facilitate the accomplishment of formalities involved in the movement of persons, the importation of materials and equipment and the transfer of currency which shall be required to conduct the Task in which it is engaged.

(b) *Appropriation of Funds and Applicable Laws.* In carrying out this Agreement and its Annexes, the Participants shall be subject to the appropriation of funds by the appropriate governmental authority, where necessary, and to the constitutions, laws and regulations applicable to the respective Participants, including, but not limited to, laws establishing prohibitions upon the payment of commissions, percentages, brokerage or contingent fees to persons retained to solicit governmental contracts and upon any share of such contracts accruing to governmental officials.

(c) *Decisions of Agency Governing Board.* The IEA Framework for International Energy Technology Co-operation, adopted by the IEA Governing Board on 3 April 2003, shall, together with any amendments thereto, be binding upon all Contracting Parties and Sponsors (as defined in the Framework) which have signed or acceded to, and not withdrawn from, this Agreement. A copy of the Framework is attached as Exhibit A to this Implementing Agreement and shall be an integral part thereof.

(d) *Settlement of Disputes.* Any dispute among the Participants concerning the interpretation or the application of this Agreement which is not settled by negotiation or other agreed mode of settlement shall be referred to a tribunal of three arbitrators to be chosen by the

Participants concerned who shall also choose the Chairman of the tribunal. Should the Participants concerned fail to agree upon the composition of the tribunal or the selection of its Chairman, the President of the International Court of Justice shall, at the request of any of the Participants concerned, exercise those responsibilities. The tribunal shall decide any such dispute by reference to the terms of this Agreement and any applicable laws and regulations, and its decision on a question of fact shall be final and binding on the Participants concerned. Operating Agents which are not Participants shall be regarded as Participants for the purpose of this paragraph.

Article 12

ADMISSION AND WITHDRAWAL OF CONTRACTING PARTIES

(a) *Admission of New Contracting Parties:* Upon the invitation of the Executive Committee, acting by unanimity, admission to this Agreement shall be open to:

(1) OECD Member Countries: The government of any OECD member country (or a national agency, public organisation, private corporation or other entity designated by such government) may, on the approval of the Executive Committee, acting by unanimity, be invited to participate as a Contracting Party in this Agreement. Such admissions of a Contracting Party shall become effective upon the signature of this Agreement by the new Contracting Party or its accession thereto and its giving Notice of Participation in one or more Annexes.

(2) OECD Non-Member Countries: The government of any country which is not a member of the OECD may, on the approval of the Executive Committee, acting by unanimity and, where required, with the approval of the Committee for Energy Research and Technology, be invited to participate as a Contracting Party in this Agreement (or to designate a national agency, public organisation, private corporation or other entity to do so). Such admissions of a Contracting Party shall become effective upon the signature of this Agreement by the new Contracting Party or its accession thereto and its giving Notice of Participation in one or more Annexes.

(b) *Participation by the European Communities.* The European Communities may participate in this Agreement as a Contracting Party in accordance with arrangements to be made by the Executive Committee, acting by unanimity.

(c) *Admission of New Participants in Annexes.* Any Contracting Party may, with the agreement of the Annex Participants in an Annex, acting by unanimity, become an Annex Participant in that Annex. Such participation shall become effective upon the Contracting Party's giving the Executive Director of the Agency a Notice of Participation in the appropriate Annex and the adoption of consequential amendments thereto.

(d) *Contributions.* The Executive Committee may require, as a condition to admission to participation, that the new Contracting Party or new Participant shall contribute (in the form of cash, services, materials or intellectual property) an appropriate proportion of the prior budget expenditure of any Task in which it participates.

(e) *Replacement of Contracting Parties.* With the agreement of the Executive Committee, acting by unanimity, and upon the request of a Government, a Contracting Party designated by that government may be replaced by another party. In the event of such replacement, the replacement party shall assume the rights and obligations of a Contracting Party as provided in paragraph (a) above and in accordance with the procedure provided therein.

(f) *Withdrawal.* Any Contracting Party may withdraw from this Agreement or from any Task either with the agreement of the Executive Committee, acting by unanimity, or by giving twelve months written Notice of Withdrawal to the Executive Director of the Agency. The withdrawal of a Contracting Party under this paragraph shall not affect the rights and obligations of the other Contracting Parties; except that, where the other Contracting Parties have contributed to a common fund of a Task or the common fund of this Agreement, their proportionate shares in the relevant budget shall be adjusted to take account of such withdrawal. Furthermore, in any Annex with an identified pilot phase to explore the feasibility and precise nature of further work under the Annex, any Participant may withdraw from such Annex by giving a written Notice of Withdrawal to the Executive Director of the Agency upon termination of its pilot phase.

(g) *Changes of Status of Contracting Party.* A Contracting Party, other than a government or an international organization, shall forthwith notify the Executive Committee of any significant change in its status or ownership, or of its becoming bankrupt or entering into liquidation. The Executive Committee shall determine whether any such change in status of a Contracting Party significantly affects the interests of the other Contracting Parties; if the Executive Committee so determines, then, unless the Executive Committee, acting upon the unanimous decision of the other Contracting Parties, otherwise agrees:

- (1) That Contracting Party shall be deemed to have withdrawn from the Agreement under paragraph (f) above on a date to be fixed by the Executive Committee; and
- (2) The Executive Committee shall invite the Government which designated that Contracting Party to designate, within a period of three months of the withdrawal of that Contracting Party, a different entity to become a Contracting Party; if approved by the Executive Committee, acting by unanimity, such entity shall become a Contracting Party with effect from the date on which it signs or accedes to this Agreement and gives the Executive Director of the Agency a Notice of Participation in one or more Annexes.

(h) *Failure to Fulfil Contractual Obligations.* Any Contracting Party which fails to fulfil its obligations under this Agreement within sixty days after its receipt of notice, specifying the nature of such failure and invoking this paragraph, may be deemed by the Executive Committee, acting by unanimity, to have withdrawn from this Agreement.

Article 13

SPONSORS

The Executive Committee may, with the approval of the Committee on Energy Research and Technology (CERT) of the Agency, invite any entity of an OECD member country or an OECD non-member country that is not designated by the government of that country to participate in the Agreement, or any non-intergovernmental international entity in which one or more entities of OECD member countries or OECD non-member countries participate, to participate in the Programme as a "Sponsor" in accordance with the following paragraphs and the IEA Framework for International Energy Technology Cooperation:

- (1) The Executive Committee, acting by unanimity, shall submit to the CERT for approval a proposal with regard to the terms and conditions (including duration) of participation of a Sponsor, on an equitable basis in relation to the sharing of obligations, contributions, rights and benefits. Such a proposal may provide for the Sponsor to exercise the rights and undertake the duties of a Contracting Party on such matters as representation on the Executive Committee and other bodies or in workshops established under the Programme, financial contributions, staff secondment, intellectual property, voting arrangements, sharing in the liquidation of assets, termination, and withdrawal. The proposal shall lay down which provisions of this Agreement referring to "Contracting Party", "Contracting Parties", "Participant" and/or "Participants" would also apply to the Sponsor. The CERT may expressly condition its approval, in which case the Executive Committee shall either adopt such conditions, acting by unanimity, or elect not to invite that entity as a Sponsor. Any amendment to the approved terms and conditions shall be subject to the same approval procedures.
- (2) The terms and conditions (including duration) of participation of a Sponsor, or any amendment thereto, shall enter into force upon (i) the adoption of such terms and conditions by the Executive Committee, acting by unanimity, (ii) acceptance of such terms and conditions by the Sponsor, in a letter addressed to the Executive Director of the Agency, (iii) approval by the CERT, and (iv) signature by the Sponsor of this Agreement.
- (3) In the event that the Executive Committee amends the Agreement so as to impose additional obligations on Contracting Parties or Participants, the Executive Committee shall decide, acting by unanimity, whether or to what extent such additional obligations shall be imposed on the Sponsor. In such cases the Sponsor shall notify the Executive Committee of its acceptance of the amendments within three months or such other period as may be fixed by the Executive Committee, failing which it shall be deemed to have withdrawn from participation in the Agreement.

Article 14

FINAL PROVISIONS

(a) *Initial Signature Period.* This Agreement shall be open for signature until 18th May, 1994 by any Agency Participating Country (or a national agency, public organization, private corporation, company or other entity designated by such government) and the European Communities.

(b) *Term of Agreement.* This Agreement shall enter into force upon signature by two or more Contracting Parties and shall remain in force for an initial period of five years. The term of the Agreement may be extended for such additional periods as may be determined by the Executive Committee, acting by unanimity, with the prior approval of the CERT. The Executive Committee may, acting by unanimity, terminate this Agreement at any time.

(c) *Legal Relationship of Participants.* Nothing in this Agreement shall be regarded as constituting a partnership between any of the Participants.

(d) *Expiry or Termination of the Agreement:* The Executive Committee may, at least six months before the definitive expiry or announced termination of this Agreement, establish a special working group composed of representatives of all the Participants to propose appropriate measures with respect to material, intellectual property rights and information generated under this Agreement and any Annex(es).

(e) *Termination.* Upon termination of any Annex to this Agreement, the Executive Committee, acting by unanimity, shall arrange for the liquidation of the assets of the Annex or Annexes. Intellectual property held by an Operating Agent for the benefit of Annex Participants shall for this purpose be regarded as assets of the respective Annex. In the event of such liquidation, the Annex Participants, unless otherwise agreed by such Participants, shall give the assets of the Annex, or the proceeds therefrom, if any, to the common fund of the Agreement.

Upon termination of this Agreement, any unused monies in the common fund and/or outstanding expenditures, if any, shall be allocated to the Participants in proportion to their respective contributions since the beginning of the current term of the Agreement.

(f) *Amendment.* This Agreement may be amended at any time by the Executive Committee, acting by unanimity, and any Annex to this Agreement may be amended at any time by the Executive Committee, acting by unanimity of the Participants in the Task to which the Annex refers. Such amendments shall come into force in a manner determined by the Executive Committee, acting under the voting rule applicable to the decision to adopt the amendment.

(g) *Deposit.* The original of this Agreement shall be deposited with the Executive Director of the Agency and a copy thereof shall be furnished to each Participant and to the Operating Agents.

Done in Paris, this 18th day of November, 1993¹.

EXHIBIT A

IEA FRAMEWORK FOR INTERNATIONAL ENERGY TECHNOLOGY CO-OPERATION

I. General Principles

Article 1

Mandate

- 1.1 In fulfilment of Chapter VII of the Agreement on an International Energy Program and in light of the Shared Goals of the IEA, the IEA operates Implementing Agreements to enable IEA Member countries to carry out programmes and projects on energy technology research, development and deployment.
- 1.2 An Implementing Agreement is a contractual relationship established by at least two IEA Member countries, and approved by the Governing Board, for the purpose set out in Article 1.1.
- 1.3 Participants in an Implementing Agreement shall contribute as fully as possible to the achievement of its objectives and shall endeavour to secure, through public and private support, the necessary scientific, technical and financial resources for the programmes and projects carried out under such an Implementing Agreement.
- 1.4 Each Implementing Agreement shall have an Executive Committee composed of representatives of all participants.

Article 2

Nature of Implementing Agreements

- 2.1 The activities of an Implementing Agreement may include, *inter alia*:
 - (a) co-ordination and planning of specific energy technology research, development and deployment studies, works or experiments carried out at a national or international level, with subsequent exchange, joint evaluation and pooling of the scientific and technical results acquired through such activities;
 - (b) participation in the operation of special research or pilot facilities and equipment provided by a participant, or the joint design, construction and operation of such facilities and equipment;
 - (c) exchange of information on (i) national programmes and policies, (ii) scientific and technological developments and (iii) energy legislation, regulations and practices;
 - (d) exchanges of scientists, technicians or other experts;
 - (e) joint development of energy related technologies; and
 - (f) any other energy technology related activity.
- 2.2 Participation in an Implementing Agreement shall be based on equitable sharing of obligations, contributions, rights and benefits. Participants in an Implementing Agreement

shall undertake to make constructive contributions, whether technical, financial or otherwise, as may be agreed by the Executive Committee.

- 2.3 Some or all of the participants in an Implementing Agreement may choose to execute specific projects and/or programmes through Annexes to the Implementing Agreement.

II. Rules Applicable to IEA Implementing Agreements

Article 3

Participation, Admission and Withdrawal

- 3.1 An Implementing Agreement can be established by two or more IEA Member countries subject to approval of the Committee on Energy Research and Technology (CERT) and of the Governing Board. There are two possible categories of participants in Implementing Agreements: Contracting Parties and Sponsors.

- 3.2 Contracting Parties may be

- (a) the governments of both OECD member or OECD non-member countries;
- (b) the European Communities;
- (c) international organisations in which the governments of OECD member countries and/or OECD non-member countries participate; and
- (d) any national agency, public organisation, private corporation or other entity designated by the government of an OECD member country or an OECD non-member country, or by the European Communities.

- 3.2.1 Participation in any Implementing Agreement for OECD non-member countries or for international organisations requires prior approval by the CERT. However, should the CERT consider a first time application by an OECD non-member country or an international organisation to be sensitive, it may refer the decision to the Governing Board as it deems appropriate.

- 3.2.2 Prior to CERT approval of participation of OECD non-member countries or international organisations in any Implementing Agreement, the Executive Committee shall:

- (a) have voted in favour of the applicant to join the Implementing Agreement and provide evidence of the same to the CERT;
- (b) provide the CERT with a copy of the terms and conditions of the applicant's participation in the Implementing Agreement; and
- (c) provide the CERT with a letter from the applicant expressing the applicant's desire to join the Implementing Agreement and specifying which Annexes it wishes to join; its acceptance of the terms and conditions of the Implementing Agreement; the name of its designated entity if it is not the applicant itself; and the name of the entity that will sign the Implementing Agreement.

3.2.3 The terms and conditions for the admission, participation and withdrawal of Contracting Parties, including their rights and obligations, in Implementing Agreements and their Annexes, if any, shall be established by the Executive Committee of each Implementing Agreement.

3.2.4 Notwithstanding Article 3.2.3, no Contracting Party from an OECD non-member country or international organisation shall have greater rights or benefits than Contracting Parties from OECD member countries.

3.3 Sponsors may be

(a) entities of OECD member countries or OECD non-member countries who are not designated by the governments of their respective countries to participate in a particular Implementing Agreement; and

(b) non-intergovernmental international entities in which one or more entities of OECD member countries or OECD non-member countries participate.

3.3.1 Participation of Sponsors in Implementing Agreements requires prior approval by the CERT.

3.3.2 Prior to CERT approval of Sponsor participation in any Implementing Agreement, the Executive Committee shall:

(a) have voted in favour of the applicant to join the Implementing Agreement and provide evidence of the same to the CERT;

(b) provide the CERT with a copy of the terms and conditions of the applicant's participation in the Implementing Agreement; and

(c) provide the CERT with a letter from the applicant expressing the applicant's desire to join the Implementing Agreement and specifying which Annexes it wishes to join; its acceptance of the terms and conditions of the Implementing Agreement; and the name of the entity that will sign the Implementing Agreement.

3.3.3 The terms and conditions for the admission, participation and withdrawal of Sponsors, including rights and obligations, in Implementing Agreements and their Annexes, if any, shall be established by the Executive Committee of each Implementing Agreement.

3.3.4 Notwithstanding Article 3.3.3, no Sponsor shall have greater rights or benefits than Contracting Parties from OECD non-member countries and no Sponsor shall be designated Chair or Vice-chair of an Implementing Agreement.

3.3.5 The CERT shall have the right to not approve participation of a Sponsor if the terms and conditions of such participation do not comply with this Framework, any Decisions of the CERT or the Governing Board and the Shared Goals of the IEA.

Article 4

Specific Provisions

- 4.1 Unless the CERT otherwise agrees, based on exceptional circumstance and sufficient justification, Implementing Agreements shall be for an initial term of up to, but no more than, five years.
- 4.2 An Implementing Agreement may be extended for such additional periods as may be determined by its Executive Committee, subject to approval of the CERT. Any single extension period shall not be greater than five years unless the CERT otherwise decides, based on exceptional circumstances and sufficient justification.
- 4.3 Notwithstanding Paragraph 4.2, should the duration of the programme of work of an Annex exceed the term of the Implementing Agreement to which it relates, the CERT shall not unreasonably withhold approval to extend the Implementing Agreement for such additional period to permit the conclusion of the work then being conducted under the Annex.
- 4.4 Either the Contracting Parties or the Executive Committee of each Implementing Agreement shall:
 - 4.4.1 approve the programme activities and the annual programme of work and budget for the relevant Implementing Agreement;
 - 4.4.2 establish the terms of the contribution for scientific and technical information, know-how and studies, manpower, capital investment or other forms of financing to be provided by each participant in the Implementing Agreement;
 - 4.4.3 establish the necessary provisions on information and intellectual property and ensure the protection of IEA copyrights, logos and other intellectual property rights as established by the IEA;
 - 4.4.4 assign the responsibility for the operational management of the programme or project to an entity accountable to the Executive Committee of the relevant Implementing Agreement;
 - 4.4.5 establish the initial term of the Implementing Agreement and its Annexes;

Article 5

Copyright

- 5.1 Notwithstanding the use of the IEA name in the title of Implementing Agreements, the Implementing Agreements, the Executive Committee or the entity responsible for the operational management of the programme or project may use the name, acronym and emblem of the IEA as notified to the World Intellectual Property Organisation (WIPO) only upon prior written authorisation of the IEA and solely for the purposes of executing the Implementing Agreements.
- 5.2 The IEA shall retain the copyright to all IEA deliverables and published or unpublished IEA material. Implementing Agreements wishing to use, copy or print such IEA deliverables and/or material shall submit a prior written request of authorisation to the IEA.

Article 6
