

MEMORANDUM OF UNDERSTANDING  
BETWEEN  
SEOUL NATIONAL UNIVERSITY  
AND  
PRINCETON UNIVERSITY  
CONCERNING COOPERATION IN THE AREA OF FUSION

Seoul National University, a national university duly organized and existing under the laws of the Republic of Korea, having an address at 599 Gwanak-Ro, Gwanak-Gu, Seoul 151-742, Korea (hereinafter referred to as "SNU") and Princeton University, as the United States Department of Energy's management and operating contractor at the Princeton Plasma Physics Laboratory, having an address at P.O. Box 451, Princeton, NJ 08543-0451 (hereinafter referred to as "PU") (SNU and PU may be referred to individually as a "Participant" and jointly as the "Participants")

Have reached the following understanding to promote academic cooperation:

**I. OBJECTIVE**

The Participants intend to work together to develop scientific, academic and educational cooperation on the basis of equality and reciprocity and to promote relations and mutual understanding between SNU and its Center for Advanced Research in Fusion Reactor Engineering, and PU and the Princeton Plasma Physics Laboratory.

**II. PLANNED AREA OF COOPERATION**

The collaboration between the Participants is intended to be primarily in the area of fusion.

**III. FORMS OF COOPERATION**

The Participants may undertake to promote and develop academic cooperation as follows:

- (1) Exchange of academic staff, administrative staff and students;
- (2) Plan for joint research;
- (3) Exchange of academic information and publications; and
- (4) Other academic exchanges to which both Participants consent.

**IV. GENERAL CONSIDERATIONS**

(1) This Memorandum of Understanding (MOU) does not create any legally binding obligations.

(2) The Participants understand that any actual collaborative research and development can only be conducted under an appropriate written agreement.

(3) Each Participant should conduct the cooperation under this MOU in accordance with applicable laws and regulations to which it is subject, and international agreements to which its Government is a party.

(4) Each Participant is to be responsible for the costs it may incur in participating in cooperative activities under this MOU.

## V. COMMENCEMENT, MODIFICATION AND DISCONTINUATION

(1) Cooperative activities under this MOU may commence upon signature and continue for a 5-year period unless discontinued in accordance with paragraph 2 of this Section V.

(2) The Participants may discontinue this MOU at any time by mutual consent in writing. Alternatively, a Participant wishing to discontinue its participation in this MOU should endeavor to provide at least 6 months written notice to the other Participant.

(3) This MOU may be modified or extended in writing signed by both Participants.

Signed in duplicate.
