

MEMORANDUM OF UNDERSTANDING
BETWEEN
KOREA ADVANCED INSTITUTE OF SCIENCE AND TECHNOLOGY
AND
PRINCETON UNIVERSITY
CONCERNING COOPERATION IN THE AREA OF FUSION

Korea Advanced Institute of Science and Technology, a university duly organized and existing under the laws of the Republic of Korea, having an address at 291 Daehak-ro, Yuseong-gu, Daejeon 305-701, Korea (hereinafter referred to as "KAIST") and Princeton University, as the United States Department of Energy's management and operating contractor at the Princeton Plasma Physics Laboratory, having an address at P.O. Box 451, Princeton, NJ 08543-0451 (hereinafter referred to as "PU") (KAIST and PU may be referred to individually as a "Participant" and jointly as the "Participants")

Have reached the following understanding to promote academic cooperation:

I. OBJECTIVE

The Participants intend to work together to develop scientific, academic and educational cooperation on the basis of equality and reciprocity and to promote relations and mutual understanding between KAIST and its Fusion Plasma Transport Research Center, and PU and the Princeton Plasma Physics Laboratory.

II. PLANNED AREA OF COOPERATION

The collaboration between the Participants is intended to be primarily in the area of fusion and plasma physics.

III. FORMS OF COOPERATION

The Participants may promote and develop academic cooperation as follows:

- (1) Exchange of academic staff, administrative staff, and students;
- (2) Plan for joint research;
- (3) Exchange of academic information and publications; and
- (4) Other academic exchanges to which both Participants consent.

IV. GENERAL CONSIDERATIONS

- (1) This Memorandum of Understanding (MOU) does not create any legally binding obligations.
- (2) Any actual collaborative research and development is to be conducted under an appropriate written agreement.
- (3) Each Participant should conduct the cooperation under this MOU in accordance with applicable laws and regulations to which it is subject, and international agreements to which its Government is a party.

(4) Each Participant is to be responsible for the costs it may incur in participating in cooperative activities under this MOU.

V. COMMENCEMENT, MODIFICATION AND DISCONTINUATION

(1) Cooperative activities under this MOU are to commence upon signature of both Participants and continue for a 5-year period unless discontinued in accordance with paragraph 2 of this Section V.

(2) The Participants may discontinue this MOU at any time by mutual consent in writing. Alternatively, a Participant that wishes to discontinue its participation in this MOU should endeavor to provide at least 6 months written notice to the other Participant.

(3) This MOU may be modified or extended in writing signed by both Participants.

Signed in duplicate.
