

#### MEMORANDUM OF UNDERSTANDING

between

#### UCHICAGO ARGONNE, LLC

and

#### WUHAN UNIVERSITY

# FOR COOPERATION ON CHEMISTRY, CATALYSIS, NANOSCIENCE AND NANOTECHNOLOGY

UChicago Argonne, LLC, operator of Argonne National Laboratory under Prime Contract No. DE-AC02-06CH11357 with the U.S. Department of Energy, and Wuhan University, collectively herein the "Participants",

SHARING an interest in collaborating in projects and education in the fields of chemistry, catalysis, nanoscience and nanotechnology,

# HAVE REACHED THE FOLLOWING UNDERSTANDING:

### I. OBJECTIVE

The Participants intend to work together to develop the mechanisms and processes to promote collaborative efforts in the fields of chemistry, catalysis, nanoscience and nanotechnology at the Argonne Center for Nanoscale Materials (CNM) user facility.

# II. PLANNED FORMS OF COOPERATION

Planned cooperation may include, but is not limited to:

- 1. Exchange of samples and materials subject to applicable government approvals and laws;
- 2. Exchange of published scientific and technical information, publications, and reports;
- 3. Exchange of scientists, engineers, students, and other specialists for participation in approved projects at the Argonne CNM user facility under an approved User Agreement. Each Participant is to abide by the health, safety, environmental, and immigration requirements of the host Participant when on an exchange assignment at the host Participant's facility.

### III. POINTS OF CONTACT

Each Participant should designate one or more Lead Coordinators to serve as its principal representative(s) for all activities conducted under this Memorandum of Understanding (MOU), including identifying areas of cooperation, coordinating cooperation between the Participants, and identifying available resources (including funding) for potential collaborative activities under this MOU.

#### IV. GENERAL CONSIDERATIONS

- 1. This MOU does not create any legally binding obligations between the Participants.
- 2. The conduct of cooperative activities contemplated by this MOU is subject to the availability of funding, personnel, and other resources.
- 3. Each Participant should conduct the cooperation under this MOU in accordance with applicable laws and regulations to which it is subject, and international agreements to which its Government is party.
- 4. Each Participant is to be responsible for the costs it incurs in participating in cooperative activities under this MOU.

# V. COMMENCEMENT, MODIFICATION AND DISCONTINUATION

- 1. Cooperative activities under this MOU may commence upon signature by the Participants and continue for a 3-year period unless discontinued in accordance with paragraph 2 of this Section.
- 2. The Participants may discontinue this MOU at any time in writing. A Participant that wishes to discontinue its participation in this MOU should endeavor to provide at least sixty (60) days written notice to the other Participant.
- 3. This MOU may be modified in writing by mutual consent of the Participants, and may be extended for additional periods.

Signed in duplicate.
