

MEMORANDUM OF UNDERSTANDING
BETWEEN
RESEARCH INSTITUTE FOR APPLIED MECHANICS,
KYUSHU UNIVERSITY
AND
PRINCETON PLASMA PHYSICS LABORATORY,
PRINCETON UNIVERSITY

Princeton University ("PU"), as operator of the Princeton Plasma Physics Laboratory ("PPPL") under contract with the United States Department of Energy (Contract No. DE-AC02-09CH11466), and Kyushu University ("KU"), a national university duly organized and existing under the laws of Japan, collectively referred to herein as the "Participants," enter into this Memorandum of Understanding ("MOU") to promote academic cooperation.

SHARING an interest in collaborating to advance the science of fusion energy,

HAVE REACHED THE FOLLOWING UNDERSTANDING:

I. OBJECTIVE

The Participants intend to work together to develop scientific, academic and educational cooperation on the basis of equality and reciprocity and to promote relations and mutual understanding between the Participants in the area of fusion science.

II. AREAS OF COOPERATION

The collaboration between the Participants is intended to be in the area of fusion.

III. FORMS OF COOPERATION

Cooperation may include:

- (1) Exchange of academic staff, administrative staff and students;
- (2) Plan for joint research;
- (3) Exchange of, academic information and publications; and
- (4) Other academic exchanges to which both Participants consent.

IV. GENERAL PROVISIONS

- (1) This MOU does not create any legally binding obligations between the Participants.
- (2) The conduct of cooperative activities contemplated by this MOU is subject to

availability of funding, personnel and other resources.

- (3) The Participants understand that any collaborative research and development(R&D) or any activity that the will result in the exchange of intellectual property or confidential information can only be conducted under an appropriate written agreement.
- (4) Each Participant should conduct the cooperation under this MOU in accordance with applicable laws and regulations to which it is subject, and international agreements to which its Government is a party.
