2012 Combined Federal Campaign of the National Capital Area

The Director

UNITED STATES OFFICE OF PERSONNEL MANAGEMENT

Washington, DC 20415

Dear Fellow Federal Employees:

George Washington once said "How far you go in life depends on being tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant of the weak and the strong. Because some day in life you will have been all of these." Each year, the Combined Federal Campaign (CFC) offers an opportunity to follow through on that advice with charitable support for those who are young, aged, weak or striving.

Year after year, the CFC provides Federal employees with an opportunity to join together and collectively help people in local communities, across the nation and around the world. I invite every Federal employee to join me and give as generously as possible to help others.

Since 1961, Federal employees have supported the campaign and the impact has been tremendous. We feed the hungry, provide shelter to the homeless and meet countless other life-changing needs.

We share in the accomplishments that result from the generosity of Federal workers, touching virtually every community in every State in the country.

It has been my privilege to see the dramatic changes that occur when communities in need receive the help provided by your charitable gifts. Families receive critical support. Children obtain medical care. People of all ages gain an education. Lives are improved.

During this year's campaign, you will have a wealth of information to help guide your giving decisions. More importantly, the stories you will hear from people who are helped will inspire you.

Please take a moment to listen to stories of success, attend campaign events, learn about charities and give to the causes you support most passionately. All gifts, large and small, are important.

As we begin the 2012 CFC season, I want to say thank you to each and every Federal employee for all that is done to help others. I am honored to serve with you.

Sincerely,

John Berry  
Director  
Office of Personnel Management  
Honorary Chairperson, Combined Federal Campaign

## Combined Federal Campaign (CFC)

The mission of the CFC is to support and to promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.

### What is the CFC?

The Combined Federal Campaign (CFC) is the only authorized solicitation of Federal employees in their workplaces on behalf of approved charitable organizations.

The CFC began in the early 1960's to coordinate the fundraising efforts of various charitable organizations so that the Federal donor would only be solicited once in the workplace and have the opportunity to make charitable contributions through payroll deduction.

Federal employees continue to make the CFC the largest and most successful workplace philanthropic fundraiser in the world. Continuing a long-standing tradition of selfless giving, in 2011, Federal employees raised over \$272.7 million dollars for charitable causes around the world.

### Structure of the CFC

The CFC is made up of 187 local campaigns that organize the annual fund raising effort in Federal workplaces in the United States and abroad.

Each local campaign is managed by a Local Federal Coordinating Committee (LFCC), which serves as a "Board of Directors" for the local campaign. The LFCC is comprised of Federal employees and representatives of labor unions and is responsible for the oversight of the local CFC. In conformance with CFC regulations and policies, the LFCC makes admission determinations for local charities and selects a Principal Combined Fund Organization (PCFO) to administer the day-to-day operations of the campaign and to serve as its fiscal agent.

The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns (LFCCs and PCFOs).

### Public Accountability

OPM is accountable for assuring Federal employees that their designations are honored and distributed to the charitable organizations of their choice. OPM achieves this in several ways:

OPM maintains eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at [http://www.opm.gov/cfc/opm\\_memos/index.asp](http://www.opm.gov/cfc/opm_memos/index.asp).

On an annual basis OPM makes admission decisions for all national and international charity applicants and resolves local charity admission appeals.

OPM sets strict requirements and provides on-going guidance for the activities and conduct of the LFCC and the PCFO. The fiscal integrity of the campaign is verified by OPM compliance audits and the annual review of local campaign audits that PCFOs are required to have completed by an independent CPA.

### The CFC Charity List

The Charity List is a paper or web-based display of national, international, and local organizations that have met CFC eligibility requirements. A sample charity listing is shown below with key elements shown in italics. Key elements include: the organization's five-digit CFC code, the IRS Business File name shown in parentheses if it is "doing business as" another name, a 25-word statement of purpose (except in abbreviated listings), its administrative and fundraising expense rate (AFR), and its Service Categories (Taxonomy Codes).

### Sample Charity Listing

**11405 ABC Charity** (*Alpha-Charity*) (800) 555-5555 [www.abccharity.org](http://www.abccharity.org)  
*EIN#123456789* ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. *15.8% P,S,K*

### Making Informed Giving Decisions

The EIN, AFR, and the Service Categories are included to help you identify organizations that meet your interests and performance standards.

The Employer Identification Number (EIN) is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). *Please Note:* Some organizations may be covered under an umbrella organization's tax exemption status and EIN.

The Administrative and Fundraising Rate (AFR) represents the percentage of dollars spent on administering the charity. It is calculated as a percentage of the organization's total support and revenue. OPM, as well as the philanthropic community at large, remains concerned about excessive AFR levels. The philanthropic community generally considers an AFR in excess of 35 percent to be problematic. Donors should check with the organization and/or review its IRS Form 990; which is available to the public for a complete explanation. Each situation is unique. Donors may contact the charity directly and/or industry oversight organizations in order to better understand the financial status, service delivery record, and governance policies of the charity before donating.

The Service Categories (Taxonomy Codes) categorize the types of services that most charitable organizations offer. Charities self-select up to three alpha-codes (shown below) for inclusion in the CFC charity list. Charities that did not select at least one category are assigned "Z" for the "Other" category.

The 26 service categories are derived from the National Taxonomy of Exempt Entities (NTEE) classification system. This system, developed by the National Center for Charitable Statistics, is widely used in the non-profit community.

## Do I Have To Give Through The CFC?

No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right to not be improperly influenced regarding your decision to give or not to give through the CFC. Prohibited practices include, but are not limited to: supervisors soliciting the employees they supervise; setting 100% participation goals, providing and using donor lists for purposes other than the routine collection of contributions, establishing personal dollar goals and quotas, and developing and using lists to identify non-contributing employees.

If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed standard envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military personnel should contact the LFCC or their commanding officers. If the issue is not resolved satisfactorily, military personnel may also contact the Department of Defense Washington Headquarters Services at (703) 699-1841.

## Can I Specify Which Organization Will Receive My Contribution?

Yes, the CFC is a donor-designated campaign. By designating the five-digit code of the charity of your choice, you ensure that your donation goes to meet the needs that you feel are most important. Simply designate the organization(s) of your choice where indicated on your pledge form by entering the five-digit code and the amount you wish to pledge. **Additional designations may be completed on a second pledge form.** Except for documented expenses for the operation of the local CFC and unfulfilled pledges, all contributions are distributed as designated.

There is no limit to the amount of contributions an organization may receive through the CFC. There is also no limit to the number of participating charities to which you may designate a contribution. To give to more organizations than can be added to the pledge form, complete additional pledge forms and staple them together. The top pledge form must contain the sum of all pledges.

*You cannot designate to an organization that is not listed in this Charity List. Adding organizations not listed, or "write-ins", is prohibited by CFC regulations and donations to such organizations will be treated as undesignated funds. In addition, pledges made using anything other than the assigned five-digit codes cannot be honored and will be treated as undesignated funds. Undesignated funds are distributed to only those charities that receive donations and in the same proportion as they received designations.*

## What Are Independent Organizations And Federations?

A federation is a charitable organization that provides common fundraising, administrative, and management services to its member organizations. Affiliated organizations receive services from a Federation and may pay dues or fees to that federation as a service charge. Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a particular federation and any dues/fees paid by its members, either contact the federation, its members, or review the federation's annual report.

## How Do I Designate A Federation, Or Alternatively, One Of Its Members, To Receive My Contribution?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name will be listed at the top of the list of the federation's member

organizations. Contributions designated to a federation will be shared in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to an affiliated federation member organization, please record the affiliate organization's corresponding five-digit code number on your pledge form.

## How Do I Designate An Independent Organization To Receive My Contribution?

You may wish to designate to an independent organization that is not affiliated with a federation. Simply enter that organization's five-digit code number on your pledge form.

## What If I Choose Not To Specify An Organization Or Federation To Receive My CFC Contribution?

All funds contributed to the CFC that are not designated to a specific organization or federation will be treated as undesignated funds and distributed to all organizations listed in the CFC Charity List in the same proportion as they received designations. Organizations that do not receive designated dollars *cannot* receive any portion of the undesignated distribution.

## What Is The International General Designation Option?

If you wish to have your contribution distributed proportionately among all international organizations that received designated gifts, you may do so by entering the five-digit code: 11111 on your pledge form.

## What Is The Payroll Deduction Option?

Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Last year, more than 90% of all CFC funds raised were made through payroll deduction. Payments on payroll deduction pledges begin on the first pay period in January and conclude with the last pay period in December. There is no simpler way for you to make good things happen for so many people than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

## Will I Receive A Receipt For My Contribution?

You should keep a copy of your pledge form, as well as your pay statements (if you made a payroll deduction contribution), as a receipt of your pledge. A Federal employee who makes a one-time (cash, check, or money order) contribution must maintain a bank record and a copy of the pledge form to show the name of the organizations contributed to, the date of the contribution, and the amount of the contribution. Local campaigns can be found using the Campaign Locator search feature on the CFC website at [www.opm.gov/cfc/Search/Locator.asp](http://www.opm.gov/cfc/Search/Locator.asp). You should consult a tax adviser to determine if additional verification of the donation is required by the IRS.

## What Are The Costs Of The Campaign?

Historically, local campaign costs across the nation have averaged ten percent. These funds are required to print materials, train volunteers, audit contributions, and other administrative duties. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fundraising campaigns; therefore, donating to a charity through the CFC ensures every dollar you pledge goes a very long way toward helping others.

## What Is On-line Pledging or E-Giving?

On-line pledging and E-giving, in general terms, mean that donors have the additional pledging tools of the charity list and pledge form available to them "on-line" or on the internet or intranet. Currently, several local campaigns offer on-line charity lists and secure pledge transactions through the Employee Express (EEX) HR System. Other campaigns have web-based charity lists and downloadable pledge forms. This is a pure paperless process and is one way CFC is striving to "go green".

Local campaigns can be found using the Campaign Locator search feature on the CFC website at <http://www.opm.gov/cfc/Search/Locator.asp>

2011 CFCNCA Charity Designations

## Show you care in three simple steps

**1 Choose your charities.**  
Select the charities you are most passionate about supporting from the **2012 Catalog of Caring**, which lists more than 4,400 approved organizations in every interest area. You can search for a charity online at [www.cfcnca.org](http://www.cfcnca.org) or in the printed version available from your Keyworker.

**2 Make a commitment.**  
Complete the Pledge Form by using the printed version. Or save campaign costs and use the paperless eGiving or online printed pledge options at [www.cfcnca.org](http://www.cfcnca.org). You can donate through payroll deduction to spread your giving over the year or choose credit/debit card, electronic check, cash or personal check.

**3 Submit your pledge.**  
If you use this printed form or the eGiving printed pledge option, you must give a copy to your Keyworker to complete the pledge process. For the paperless eGiving option, you do not need to submit a form to your Keyworker. Remember to retain the blue copy of the Pledge Form for income tax purposes.

**2012 goal:  
\$62 million**

Every donor makes a difference.

## Your gift is tax deductible

If you give by payroll deduction, check or cash, retain the blue copy of your Pledge Form. You also will need to save a copy of your final pay statement for the year showing the total amount withheld. If you completed your Pledge Form online, print out and retain a hard copy. Donors who give \$250 or more will receive a tax letter from CFCNCA, assuming personal contact information is provided in 'Section C' of the Pledge Form. Donors who give less than \$250 and who need a letter should call CFCNCA Customer Support at 202-465-7230.

*The CFCNCA provides this information only as guidance. CFCNCA is not responsible for tax advice and strongly suggests that donors contact their tax advisors with any specific questions regarding IRS rules.*

## Generosity brings additional rewards

The CFCNCA recognizes those who give at least 1 percent of their salary with Eagle Awards, and those who give at least 2 percent with Double Eagle Awards. When you make a pledge at these levels, you will receive a special Eagle or Double Eagle lapel pin that honors your commitment and support.

## Need help completing your Pledge Form?

To get step-by-step instructions:

- Go to CFCNCA's website at [www.cfcnca.org](http://www.cfcnca.org)
- Refer to the inside back cover of this printed 2012 Catalog of Caring
- Call Customer Support at 202-465-7230 (Monday-Friday, 9 a.m. to 5 p.m.)

# How to Complete Your Pledge Form through the CFCNCA

To save campaign costs, use the e-Giving paperless or print and submit form options at [www.cfcnca.org](http://www.cfcnca.org). You can donate through payroll deduction to spread your giving over the year or choose credit/debit card, electronic check, cash or check. If you complete your Pledge Form online, you also must write your Social Security Number on the copy that is submitted to the payroll office for payroll deduction. Check with your Keyworker if your payroll office accepts an alternate identification number.

If using the paper Pledge Form, please follow these steps:

- Print all information FIRMLY using a ballpoint pen because you are making three copies. Refer to the charity code numbers and descriptions in our online charity search or in this catalog. All charities have a five-digit code. Double check the current listing because sometimes charities listed in a prior year are not in the current campaign.
- If your Keyworker has not already done so, please fill in your CFCNCA Reporting Number (1).
- To direct your gift to a specific charity or charities, record the appropriate 5-digit code found next to each charity listing in the Charity Code box (2A). Enter the total amount of each designated gift in the Annual Amount box (2B). You may designate only to organizations listed in the 2012 catalog. Write-ins are prohibited. You also may enter five number ones (11111) to select the International General Designation Option for distribution of your gift to all charities listed in the International section (2C). The distribution will be made in the same proportion as charities receiving designations.
- If you wish to make an undesignated gift, leave the Charity Code blank and fill in the amount of your undesignated gift (3). All funds contributed to the CFCNCA that are not designated to a specific organization or federation will be distributed to all organizations listed in the catalog in the same proportion as the contributions designated to them.
- Enter the full amount of your designations in the Total box (4). Check your math.
- If you wish to make designations to more charities than space allows, you must fill out additional Pledge Forms. Fill out each form completely and mark as "Form 1 of 3" and "Form 2 of 3," etc. On Form 1 ONLY, fill in your Total Annual Contribution (5B). In section A of each Pledge Form, add up the Annual Amount Column and write "Subtotal" at the bottom of the column (4).
- For Civilian payroll giving (26 pay periods / 24 for US Senate), check the appropriate box and enter the amount to be deducted each pay period (5A). Multiply that amount by 26 (24 for U.S. Senate) and enter the total amount in the Total Annual Contribution box (5B). This sum should match the amount appearing in the Total Annual Amount box (4). Check your math.
- For Military and House of Representatives payroll giving (12 pay periods), check the appropriate box and enter the amount to be deducted each pay period (5C). Multiply that amount by 12 and enter the total amount in the Total Annual Contribution box (5D). This sum should match the amount appearing in the Annual Amount box (4). Check your math. If you are in the military, mark your Branch of Service (5F) using these abbreviations: USA (Army); USAF (Air Force); USCG (Coast Guard); USMC (Marine Corps); and USN (NAVY).
- For cash or check gifts, check the appropriate box and enter the onetime amount in the Cash or Check line of the Total Annual Contribution box (5E). Make checks payable ONLY to CFCNCA. Checks made payable to individual charities will be returned to the employee. You cannot make a onetime payroll deduction gift.
- The total annual amount (4) must match the total annual contribution (5B).
- If you are making a payroll deduction gift, sign and date the authorization (6) to allow your payroll office to process the deduction.
- If you pledge 1 percent of your yearly gross salary, whether by payroll deduction, cash or check, you qualify for an Eagle Award pin. If you pledge 2 percent of your yearly gross salary, whether by payroll deduction, cash or check, you qualify for a Double Eagle Award pin. Indicate a gift at either of these levels by initialing the line under the appropriate award (7). Your Keyworker will provide you with the pin.
- If your Keyworker has not already done so, fill in your complete name (8).
- Fill in your Federal department or agency and full work address (8A). Enter your Social Security Number or employee ID number for payroll deduction (8B). Fill in your work phone number and work e-mail address (8C). If you are a Department of Defense (DoD) employee, fill in your payroll provider location (8D).
- If you would like your gift acknowledged by all the charities you designate, provide your home address and home e-mail address in Section D (9). If you would like the charities to have a record of the amount of your gift, check the box (9A). If no contact information is provided, your information will not be released and the charity will have your gift listed as from an anonymous donor.
