ORDER

Issued: May 29, 2012

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into between the U.S. Department of Energy ("DOE") and Watermark Designs, Ltd. ("Respondent"). The Compromise Agreement resolves the case initiated against Respondent pursuant to 10 C.F.R. § 429.122 by Notice of Proposed Civil Penalty, alleging that Respondent distributed in commerce in the United States the Waterfall or Deluge Spout showerhead, basic model SH-FAL90, which failed to meet the applicable standard for water usage. *See* 10 C.F.R. § 430.32(p).

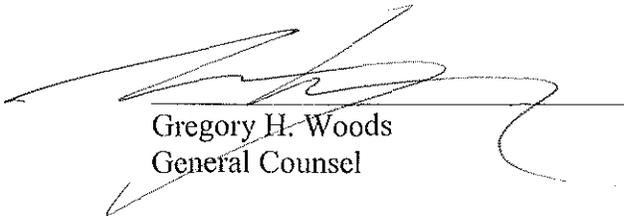

2. The DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.

3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement.

4. Based on the information in the case file and Respondent's admission of violations in the Compromise Agreement, I find that Respondent committed Prohibited Acts by distributing in commerce showerheads that were not in conformity with the applicable water conservation standard. 42 U.S.C. §§ 6291(16), 6302(a)(5), 6295(j).

5. Accordingly, pursuant to 42 U.S.C. § 6303, **I HEREBY ASSESS** a civil penalty of \$4,200 **AND ORDER** that the Compromise Agreement attached to this Order is adopted, which completes the adjudication of this case.

WHEREAS, DOE, pursuant to 42 U.S.C. §§ 6295, 6302, and 6303, and DOE Rules, is authorized to assess civil monetary penalties for actions prohibited by the Act, including; distributing in commerce in the United States showerheads not in conformity with the applicable water conservation standard; and

WHEREAS, DOE, on May 10, 2012, initiated an action to assess a civil penalty for distributing in commerce in the United States basic model SH-FAL90; and

WHEREAS, Respondent admits:

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements set forth below, the sufficiency and adequacy of which are hereby acknowledged, the Parties agree as follows:

III. TERMS OF THE AGREEMENT

1. **Adopting Order.** The Parties agree that the provisions of this Compromise Agreement shall be subject to final approval by the General Counsel by incorporation of such provisions by reference in the Adopting Order without change, addition, modification, or deletion.
2. **Obligations of Respondent.** Respondent agrees to pay the sum of \$4,200, as full satisfaction of the civil penalty proposed in the Notice, within thirty (30) days of the issuance of an Adopting Order.
3. **Obligations of DOE.**
 - a. In express reliance on the covenants and representations in this Compromise Agreement and to avoid further expenditure of public resources, DOE agrees to accept Respondent’s payment in full satisfaction of the penalty authorized by the Act.
 - b. DOE agrees promptly to issue an Adopting Order adopting this Agreement.

- c. DOE agrees to terminate the enforcement action with prejudice upon Respondent's completion of its Obligations in accordance with section III.2, above.
4. **Jurisdiction and Governing Law.** This Compromise Agreement is entered pursuant to DOE's authority to interpret and enforce its rules for energy and water efficiency and to enter into its own agreements interpreting and applying those rules. The Parties agree that DOE has jurisdiction over Respondent and primary jurisdiction over the matters contained in this Compromise Agreement and has the authority to enter into this Compromise Agreement.
 5. **Effective Date.** The Parties agree that this Compromise Agreement shall become effective on the date on which the General Counsel issues the Adopting Order. Upon release, the Adopting Order and this Compromise Agreement shall have the same force and effect as any other Order of the General Counsel. Any violation of the Adopting Order or of the terms of this Compromise Agreement shall constitute a separate violation of an agency Order, entitling DOE to exercise any rights and remedies attendant to the enforcement of an agency Order.
 6. **Waivers.** Respondent agrees not to seek judicial review or otherwise contest or challenge the validity of the terms and penalties set out in this Compromise Agreement or the Notice associated with this case, including any right to judicial review that may be available to the Respondent. If either Party (or the United States on behalf of DOE) brings a judicial action to enforce the terms of this Compromise Agreement, neither Respondent nor DOE shall contest the validity of the Compromise Agreement, and Respondent waives any statutory right to a trial *de novo*. Respondent hereby agrees to waive any claims it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. § 504, relating to the matters addressed in this Compromise Agreement.
 7. **Final Settlement.** The Parties agree and acknowledge that this Compromise Agreement shall constitute a final settlement between the Parties. This Compromise Agreement resolves only the violations alleged in the Notice.
 8. **Merger.** This Compromise Agreement constitutes the entire agreement between the Parties and supersedes all previous understandings and agreements between the Parties, whether oral or written.
 9. **Modifications.** This Compromise Agreement cannot be modified without the advance written consent of both Parties.
 10. **Invalidity.** In the event that this Compromise Agreement in its entirety is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.
 11. **Authorized Representative.** Each party represents and warrants to the other that it has full power and authority to enter into this Compromise Agreement.
