10A. GENERAL INFORMATION

(a) Is your firm currently listed on the Department of Defense or other agency list of qualified energy service companies? If yes, please identify the agency, point of contact, phone number, and the qualification period.

(b) Indicate type of firm, if other than items listed in Block 5:

[ ] Branch Office of _________________________________________________________

[ ] Joint Venture (list venture partners) __________________________________________

___________________________________________________________________________

[ ] Other (explain) __________________________________________________________

___________________________________________________________________________

(c) Is your firm an eligible 8(a) contractor under the Small Business Administration’s 8(a) Program? Yes ___ No ___

(d) This submittal applies to:

[ ] Parent Company    [ ] Subsidiary

[ ] Division          [ ] Branch Office

[ ] Other

List the names of any of the above marked entities which are to be included in the prequalification process, and describe their functions, responsibilities, and interrelationships.

(e) Federal Employer Identification Number: ________________________________

(f) Year firm was established: ________________________________
(g) Has your firm been competitively selected by a utility company under a Demand-Side Management Bidding program to provide conservation services for commercial and industrial customers? Yes ___ No ___

If yes, please designate the utility and provide pertinent information.

(h) Indicate the largest dollar value of investment your firm would consider for a Federal Government ESPC contract.

$______________

(I) Indicate the regions of the country your firm would consider providing Federal ESPC services.

[ ] Region 1 (CT, ME, NH, VT, MA, RI)
[ ] Region 2 (NY, NJ)
[ ] Region 3 (MD, DE, VA, WV, DC, PA)
[ ] Region 4 (FL, GA, KY, MS, NC, SC, TN, AL)
[ ] Region 5 (IL, IN, MI, MN, OH, WI)
[ ] Region 6 (AR, LA, NM, OK, TX)
[ ] Region 7 (IA, KS, MO, NE)
[ ] Region 8 (CO, MT, ND, SD, UT, WY)
[ ] Region 9 (CA, AZ, NV, HI)
[ ] Region 10 (WA, OR, AK, ID)
[ ] All Regions
[ ] Territories
[ ] Overseas Facilities
[ ] Exceptions (specify)
10B. **EXPERIENCE**

(a) List and briefly describe, on separate pages, two projects completed by your firm that have been operating and saving energy or reducing utility costs and that best illustrate your range of experience relative to energy performance contracting and energy management expertise (i.e., type of technologies implemented). If your firm does not possess ESPC experience with the technologies which you want to be qualified, provide the experience of your firm in implementing other technologies. One project should represent the largest project completed, and the other should represent a recently completed project. For each project, provide information on the following items:

1) Project title and location.
2) Client to contact regarding the project, his or her position, address, and telephone number.
3) Identify if project was for public or private sector.
4) Briefly describe the facility including function, number of buildings, and size in square feet.
5) Total contract amount.
6) Type of financing arranged by your firm.
7) Type and term of contract.
8) Starting and ending dates.
9) Indicate if the project was completed on schedule. If not, explain.
10) Projected annual energy savings and/or demand reduction.
11) Identify performance guarantees, if performance-based energy service contract.
12) Actual annual energy savings and/or demand reduction achieved for each project.
13) Firm notes, explanations, or any other information relating to the project. (Optional)

(b) Indicate the number of years in business as an Energy Management Contractor: _______ years. Indicate all other names for your organization and the length of time your organization had that name.
10C. TECHNICAL CAPABILITY

(a) List the technologies (e.g., lighting; HVAC systems, etc.) which your firm may propose to apply to a building or facility to implement energy conservation measures under an energy savings performance contract.
10D. **AVAILABLE STAFF**

(a) Indicate the experience in energy management and energy conservation services of the personnel in your firm that you are intending to utilize on projects.

(b) List all professional and skilled trades which your firm customarily performs with your own employees.
10E. **FINANCIAL STATUS**

(a) For each year in the last five years, identify the largest capital investment for an ESPC in which your firm acquired financing.

(b) Disclose whether your firm (or predecessors, if any) or any principal of the firm has been insolvent or declared to be in bankruptcy within the past five years.

(c) Indicate whether your firm or any principal of the firm has been debarred by the Federal Government and provide explanation.
CLIENT QUESTIONNAIRE

Contractor Name:

Project Title:

1. Was the project completed on schedule?

2. Did the contract involve energy savings performance guarantees? If so, describe performance guarantees (e.g., annual energy or cost savings).

3. Did the installed project achieve energy savings and/or demand reduction projected or guaranteed by the contractor?

4. Was the method(s) used by the contractor to determine annual energy savings and/or demand reduction acceptable for the type of energy conservation measures installed?

5. Did the contractor provide satisfactory operations, maintenance, and repair services, if any?
6. Were rebates from the utility in your area available to you? If yes, did the contractor arrange satisfactory utility supplier rebates or other financial incentives?

7. Did the contractor provide or arrange satisfactory project financing?

8. What was the capital investment in the energy project?

9. Provide an overall rating of the quality and timing of services provided by the contractor. If your answers to questions 1 - 7 were all “yes,” please briefly explain your reasons for giving a “Fair” or “Poor” rating, as applicable.

   ___ Excellent - Exceeded expectations, highly recommend contractor.
   ___ Good - Met all requirements, recommend contractor.
   ___ Fair - Achieved project objective, room for improved quality and performance, recommend contractor.
   ___ Poor - Significant shortfall in performance and quality, would not recommend contractor.

Remarks:
