FACILITY MANAGEMENT CONTRACTORS (FMCs) AND OTHER MAJOR CONTRACTORS

The Facility Management Contractors (FMCs) listed in this section are large prime contractors that manage and operate national laboratories and government-owned facilities. These FMCs, also referred to as Management and Operating Contractors (M&O's) expend approximately 85 percent of Department of Energy's contracting budget. They award subcontracts to small businesses by using various purchasing tools. This listing also includes major prime contractors that are non-FMCs. **The Department of Energy's office is shaded and the laboratory or facility it oversees is listed below it.** The lead program office for each FMC and non-FMC is identified by its two-letter code in parenthesis.
