

**DEER Tuesday Poster Session P10:**

**Application of SCR and PM-METALIT®  
for Non-Road Applications: SCRi®**

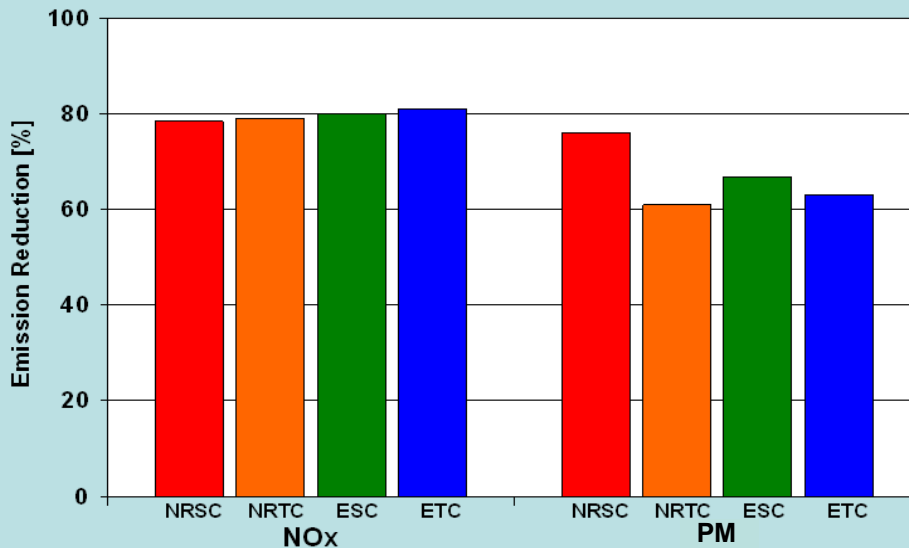

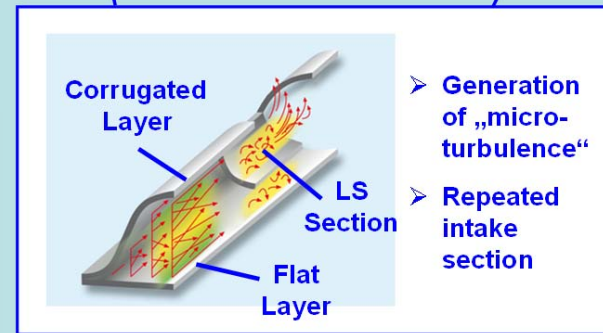

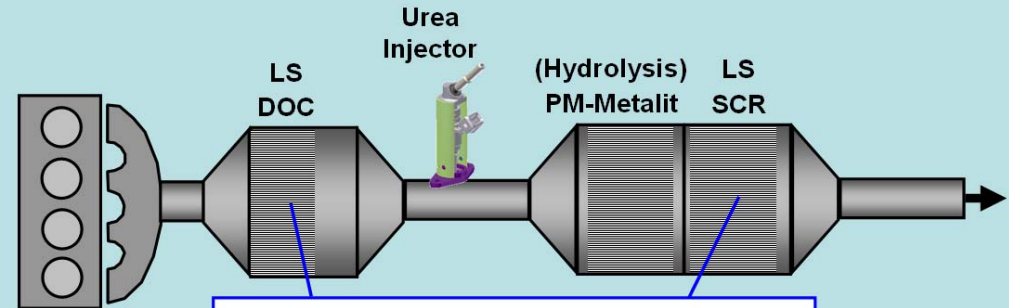

**Ulrich Pfahl, Jan Kramer, Mike Rice, Claus Bruestle**

**DEER**

**Dearborn**

**August 4<sup>th</sup>, 2009**

1. LS DOC
2. PM-Metalit
  - Mixing
  - Hydrolysis
  - PM-Reduction
3. SCR

SCRi system performance during steady state and transient test cycles

### Advantages:

- Compact Design / Package
- Robustness
- Low Backpressure
- Cost
- Maintenance free PM-M

**Application of SCR and PM-METALIT®  
for Non-Road Applications: SCRi®**
