Subject: FE Docket No. 14-179-LNG
Date: Monday, February 09, 2015 2:42:21 PM

Please extend the time to comment and intervene on this proposal to export natural gas!! Any efforts to produce and export natural gas endangers the health and welfare of the citizens of the United States and our children!!

Please allow affected parties enough time to effectively understand all the consequences of such proposal.... it is not going to benefit NH or MA in anyway!! the only ones to benefit are is the greedy corporate KM.—
