# BECP Structure

# BECP Budget

---

FY 2015 \$5.59M + FOA budget  $\approx$ \$2M/yr

---

## Goal

Reduce energy use in buildings subject to energy codes.

## Impacts:

- **Mid-term:** By 2020, achieve energy savings of 1.1 quads annually.
- **Long-term:** Through 2030, achieve cumulative energy savings of 14 quads, reduce energy bills by \$125 billion and avoid carbon emission by 1 billion metric tons
