Subject: Extension of Public Comment Period - Plains & Eastern Application, Part 2
Date: Monday, July 13, 2015 5:44:39 PM

The Corps of Engineers has reviewed all documents associated with the Plains and Eastern Application, Part 2, for Clean Line Energy. The comment period ended today, 13 July 2015.

The documentation appears to address the requested additional information. The Corps of Engineers has no further or additional comments to provide.

Thank you,

Cynthia Blansett
