**Subject:** RE: Application filing for Re-export license

Attached is a PDF and Microsoft Word copy of the COP LNG application to re-export LNG that was originally submitted on August 27. I was looking over the application yesterday and caught a typo in the document. On page 3, under Section III, first paragraph the application reads

*a two year period commencing on January 1, 2016 and ending on December 31, 2015.*

This corrected copy reads

*a two year period commencing on January 1, 2016 and ending on December 31, 2017.*

Please replace the page three of the submitted document with the corrected date. Let me know if you need anything further for this application.

Thank you for your help.
