

# REMS Webinar Survey

*Hosted by the Office of Environment, Health, Safety and Security*

---

Thank you for participating in the inaugural DOE REMS Webinar that was held on Tuesday, March 8 at 1:00 pm EST.

Please take a moment to respond to this survey.

	Excellent	Good	Fair	Poor	n/a
<b>Webinar access and login process</b>					
<b>Topics covered:</b>					
• PII					
• Reporting requirements					
• Site descriptions					
• ALARA success					
• Query Tool					
• Visualization tools					
<b>Relevance to your work</b>					
<b>Presentation and materials</b>					
<b>Length (time)</b>					
<b>Pace</b>					
<b>Your overall experience</b>					

1. Would you be interested in attending similar webinars in the future?      Yes      No

2. Please share any key lessons you feel you learned as a result of the webinar.

3. These topics were discussed during the webinar: PII, monitoring status, Reporting Guide, Query Tool, and data visualization tools. Do you have any recommended topics or activities for future webinars?

4. Which of these topics may be of interest to you:

ORPS

Occupational Codes

CAIRS

Statistical Analysis

REMS Organization Codes

Performance Indicators

5. How frequently would you like to participate in a Webinar:

Annually

Quarterly

Semi-annually

Whenever a significant change occurs in requirements or software

6. *DOE Online Query Tool*: Is there other data that you would like to see added to the Query tool that would help you in benchmarking and assessing exposure information across DOE?

7. Did the fact that the Webinar was recorded affect the level of your participation? If so, would you prefer it not to be recorded so that it may be more informal?

8. Is there anything else you would like to share?
