PARKING:

Enter the underground parking garage from 110th Avenue NE, between NE 4th and NE 2nd Streets. Turn in at the small gray “PSE parking” sign at sidewalk height. Watch for pedestrians as you pull into the parking garage.

You may park in any 2-hour “Visitor” space (located near the elevators), or any of the many *unmarked* spaces on levels P2 to P7.

Take your parking receipt with you for validation; be sure to note the floor and location of your vehicle.

BUILDING ACCESS:

Our parking garage serves two buildings (PSE and PSE *East* Buildings). After noting the floor and location of your vehicle, take the garage elevator to building lobby. If there is a **café in the lobby**, you are in the PSE Building. If there is a **receptionist in the lobby**, you are in the East Building.

All visitors must check-in at PSE Corporate Reception at the main lobby-level (staffed 7:00AM to 4:00PM), where they will meet their hosts and be escorted to their destinations. A valid driver’s license or passport is required for entry to PSE floors.

No check-in is required for Conference Center or Summit Room events.

EXITING THE GARAGE:

Have your host validate your parking ticket or pay at the silver kiosk in either lobby before leaving the building.

Exit the parking garage at Level P1 or P2. There is *no cashier on duty*, without a validated ticket you must pay by credit card. Press the call button for assistance.
