EXCEPTED SERVICE POSITIONS

Employees occupying an Excepted Service position (EJ, EK, and EN series) might be exempt from filing a Confidential Financial Disclosure Report, depending on his or her pay band and occupational series. First, on the chart below, an EJ, EK, or EN employee should use his or her Excepted Service pay band to determine the equivalent grade. (For example, the chart below shows that an EJ employee in pay band III has an equivalent grade of 12.) Then an EJ, EK, or EN employee may determine whether he or she is required to file a Report by referring to his or her occupational series and the equivalent grade level on the above list of Exempt Positions. (Continuing the example, if the same EJ employee at pay band III is in occupational series 00850, she would be exempt from filing this Report because the Exempt List shows that this occupational series to be exempt at grade 13 and below.)
