

Request for Records Disposition Authority

Records Schedule Number DAA-0434-2017-0007
Schedule Status Approved

Agency or Establishment Department of Energy
Record Group / Scheduling Group General Records of the Department of Energy
Records Schedule applies to Department-wide
Schedule Subject Energy Efficiency and Renewable Energy (EERE) - Vehicle Technologies Office (VTO) Program Records Schedule

Internal agency concurrences will be provided No

Background Information The U.S. Department of Energy's Vehicle Technologies Office (VTO) supports research and development (R&D), and deployment of efficient and sustainable highway transportation technologies to improve vehicles' fuel economy and minimize petroleum use. These technologies, which include plug-in electric vehicles (also known as EVs or electric cars), batteries, electric drive technologies, advanced combustion engines, lightweight materials, and alternative fuels, will increase Americans' energy security, lower costs, and reduce environmental impacts.
