**RE: Order No. 202-17-2 Renewal Application Filing Submitted by PJM
Interconnection, LLC on August 24, 2017**

Dear Secretary Perry:

Please be advised that PJM Interconnection, LLC communicated with Virginia Electric and Power Company ("Dominion Energy Virginia") regarding the referenced Renewal Application Filing ("Renewal Application") in advance of its submittal, and Dominion Energy Virginia agrees with the Renewal Application and will operate in accordance with its provisions.

A Department of Energy order granting the Renewal Application authorizing PJM to continue to direct Dominion Energy Virginia to operate Yorktown Units 1 and 2, and for Dominion Energy Virginia to operate the units as directed by PJM, is not a long term solution to the reliability issues in the North Hampton Roads area on the Virginia Peninsula.

Respectfully Submitted,
