

Maritime Industry Drivers for Biofuels - A (Former) End User's Perspectives

Chris Tindal
President, TLA LLC

Synthetic Fuel Purchases

- DoD buys all of its fuel through DLA Energy
- Four major bulk fuel solicitations per year:
 - Rocky Mountain/ West Coast
 - Inland/ East/ Gulf Coast
 - Western Pacific/ Middle East
 - Atlantic/ Europe/ Mediterranean
- By law, DoD can only purchase fuel that is cost competitive, regardless of feedstock or source
- MILSPEC for all fuel types includes a synthetic fuel annex

U.S. Navy oiler delivering alternative fuel to a Japanese ship

February 2016

Italian oiler delivers alternative fuel to the U.S. Navy

June 2016

July 2016

11+ million gallons to 9 countries

THANK

YOU
