### Guest Speaker: Ken Feinberg

Ken Feinberg is the leading expert on creative settlements involving some of America’s most devastating moments in recent history. He is regularly invited by corporations, universities, and the government to solve extraordinarily complicated and painful situations. Using wisdom and fairness, Mr. Feinberg fashions resolutions and compensation for disaster victims and families across the country. In the midst of grief and crisis, Mr. Feinberg seeks justice by providing alternatives to traditional litigation, and he has served as the administrator of compensation funds for victims of 9/11, the 2008 bailout, Sandy Hook, the Boston Marathon, the Penn State abuse scandal, and the recall of VWs, to name a few.
