

EM Major Procurements as of 6/6/18

Following is a listing of major procurement actions currently being competed by the Office of Environmental Management. Information contained in the report is based on publicly available information available published on the DOE Acquisition Forecast (<https://www.energy.gov/osdbu/acquisition-forecast>) and other public sources. An actual date is provided when an event occurs; Quarterly projections are provided for other activities. Click on the field entitled "Acquisition Description/Category" for a procurement listed below to access the corresponding procurement website.
