IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA AND MEXICO
AND VACATING PRIOR AUTHORIZATION

DOE/FE ORDER NOS. 4217 AND 4119-A

JULY 24, 2018

I. DESCRIPTION OF REQUEST

On July 10, 2018, Gunvor USA LLC (Gunvor USA) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)¹ for blanket authorization to import and export up to a combined total of 10 billion cubic feet (Bcf) of natural gas from and to Canada and Mexico via pipeline. The applicant requests the authorization be granted for a two-year term beginning on August 1, 2018. Gunvor USA is a Delaware limited liability company with its principal place of business in Houston, Texas.

On November 8, 2017, in FE Docket No. 17-139-NG, DOE/FE issued DOE/FE Order No. 4119, granting Gunvor USA blanket authorization to import and export up to a combined total of 10 Bcf of natural gas from and to Canada for a two-year term beginning on November 1, 2017, and extending through October 31, 2019. On July 10, 2018, Gunvor USA requested that DOE/FE vacate its existing authorization in DOE/FE Order No. 4119, effective August 1, 2018.²

II. FINDING

The application has been evaluated to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public

¹ Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FE in Redelegation Order No. 00-006.02 issued on November 17, 2014.

interest, and applications for such imports and exports, must be granted without modification or delay. The authorization sought by Gunvor USA to import and export natural gas from and to Canada and Mexico, nations with which free trade agreements requiring national treatment for trade in natural gas are in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.
