FROM AND TO CANADA AND TO EXPORT NATURAL GAS TO MEXICO  
AND VACATING PRIOR AUTHORIZATION

DOE/FE ORDER NOS. 4247 AND 4026-A

SEPTEMBER 7, 2018

## I. DESCRIPTION OF REQUEST

On August 24, 2018, Engie Energy Marketing NA, Inc. (Engie Energy Marketing) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)<sup>1</sup> for blanket authorization to import and export natural gas from and to Canada via pipeline, and to export natural gas to Mexico via pipeline, up to a combined total of 90 billion cubic feet (Bcf) of natural gas. The applicant requests the authorization be granted for a two-year term beginning on the date this Order is issued. Engie Energy Marketing is a Delaware corporation with its principal place of business in Houston, Texas.

Previously, on April 20, 2017, Engie Energy Marketing was granted blanket authorization in DOE/FE Order No. 4026 to export natural gas to Mexico for a two-year term which began on March 1, 2017, and extends through February 28, 2019. On August 24, 2018, Engie Energy Marketing requested that DOE/FE vacate its blanket authorization in DOE/FE Order No. 4026, effective the date this Order is issued.<sup>2</sup>

## II. FINDING

The application has been evaluated to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public

<sup>1</sup> Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FE in Redelegation Order No. 00-006.02 issued on November 17, 2014.

interest, and applications for such imports and exports must be granted without modification or delay. The authorization sought by Engie Energy Marketing to import and export natural gas from and to Canada and to export natural gas to Mexico, nations with which free trade agreements requiring national treatment for trade in natural gas are in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

(Approved by the Office of Management and Budget under OMB Control No. 1901-0294)
