**Subject:** [EXTERNAL] FE Docket No. 18-37-LNG

On September 14, 2018, Cheniere Marketing, LLC and Corpus Christi Liquefaction, LLC (collectively, "Cheniere") submitted an application to DOE Office of Fossil Energy requesting Blanket Authorization to Export Liquefied Natural Gas by Vessel from the Corpus Christi Liquefaction Project ("Application"). The Application has been docketed as FE Docket No. 18-37-LNG.

Through this email, Cheniere supplements the Application by acknowledging that the volumes proposed for export in the Application, when added to any volumes exported under the DOE/FE Order Nos. 3164 and 3638 ("Existing Orders"), will not exceed the maximum volumes approved under the Existing Orders in any annual (ie, consecutive 12 month) period.

Thank you,

Taylor Johnson
