Program Design & Customer Experience

Overcome common barriers to multifamily program success

An ACEEE study found that few programs are specifically designed to meet the needs of multifamily markets, although the need is abundant. To overcome that, they outlined key solutions to address multifamily program challenges. **Members highlighted:** [TRC Energy Services](#), [ACEEE](#), and [Austin Energy](#).

Financing

Reconsider programmatic structures to save money and increase projects

Pacific Gas & Electric (PG&E) engaged in a pay-for-performance pilot where participating organizations reduced energy use in homes using tailored approaches (behaviorial, retrofit, etc.) suited to the situation. PG&E paid participants based on energy savings. **Members highlighted:** [PG&E](#) and [Hartford Steam Boiler Inspection and Insurance Co.](#)
