ORDER VACATING AUTHORIZATION TO
IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 4275-A

On September 26, 2018, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to TAQA North Ltd. (TAQA North), in DOE/FE Order No. 4275 to import up to 40 billion cubic feet of natural gas from Canada over a two-year term beginning on October 30, 2018, and extending through October 29, 2020.

On November 30, 2018, TAQA North notified DOE/FE that it no longer needs the current blanket authorization and therefore requests that DOE/FE vacate Order No. 4275, effective November 30, 2018.¹ DOE/FE finds good cause to do so.

¹ See E-mail from Craig Budjak, Marketing Representative, TAQA North Ltd., to DOE/FE (November 30, 2018).

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import natural gas from Canada granted to TAQA North, in DOE/FE Order No. 4275 is hereby vacated, effective November 30, 2018.

Issued in Washington, D.C., on February 5, 2019.

Amy R. Sweeney
Director, Division of Natural Gas Regulation
