UNITED STATES OF AMERICA DEPARTMENT OF ENERGY OFFICE OF FOSSIL ENERGY

PORTLAND GENERAL ELECTRIC COMPANY)	FE DOCKET NO. 19-91-NO

ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA

DOE/FE ORDER NO. 4418

I. DESCRIPTION OF REQUEST

On July 17, 2019, Portland General Electric Company (Portland General Electric) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)¹ for blanket authorization to import up to 135 billion cubic feet (Bcf) of natural gas from Canada via pipeline, and to export up to 45 Bcf of natural gas to Canada via pipeline. The applicant requests the authorization be granted for a two-year term beginning on November 3, 2019.² Portland General Electric is an Oregon corporation with its principal place of business in Portland, Oregon.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest, and applications for such imports and exports must be granted without modification or delay. The authorization sought by Portland General Electric to import and export natural gas from and to Canada, a nation with which a free trade agreement requiring national treatment for trade in natural gas is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹ Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FE in Redelegation Order No. 00-002.04G issued on June 4, 2019.

² Portland General Electric's blanket authorization to import and export natural gas from and to Canada, granted in DOE/FE Order No. 4076 on July 28, 2017, extends through November 2, 2019.
