Mr. Cicio,

Just to confirm, is IECA withdrawing the entire filings made in DOE/FE Dockets 19-61-LNG and 19-62-LNG?

Thanks,  
Amy

The Industrial Energy Consumers of America is a nonpartisan association of leading manufacturing companies with \$1.0 trillion in annual sales, over 3,700 facilities nationwide, and with more than 1.7 million employees worldwide. It is an organization created to promote the interests of manufacturing companies through advocacy and collaboration for which the availability, use and cost of energy, power or feedstock play a significant role in their ability to compete in domestic and world markets. IECA membership represents a diverse set of industries including: chemicals, plastics, steel, iron ore, aluminum, paper, food processing, fertilizer, insulation, glass, industrial gases,

pharmaceutical, building products, automotive, brewing, independent oil refining, and cement.

**Subject:** IECA Comments on Freeport LNG Development, LP Application to NAFTA Countries (Docket No. 19-61-LNG)

Good Morning:

Please see attached for our Notice of Intervention, Protest and Comment on the Freeport LNG Development, LP application to NAFTA countries (Docket no. 19-61-LNG). Please confirm receipt.

Is there interested parties to serve also? I put in the docket number here (<https://fossil.energy.gov/fergas-fe/#/serviceList>) and it said the docket does not exist. Please advise.

Best Regards,

Paul Cicio
