DOE Acquisition Forecast Opportunities Website Disclosure:

- It is the policy of U.S. Department of Energy (DOE) to provide timely information to the public concerning DOE's forecast of future prime and subcontracting opportunities which are available through DOE's program offices, major sites and facilities management contractors (FMCs). This forecast
- Information contained in the forecast for future and ongoing transactions can be searched and sorted in a number of ways, including by:
 - DOE's contracting activity, state, type of acquisition, and [North American Industrial Classification Code \(NAICS Code\)](#)
 - In addition, points of contact are identified for each opportunity that is listed for access to additional information. You may view and download DOE's [Small Business Program Manager's Directory \(SBPMs Directory\)](#)
- The acquisitions identified in this forecast are expected to be solicited and/or awarded in this fiscal year and beyond, based on the best information available at the time of publication. All projected acquisitions and associated information are subject to revision or cancellation. Final decisions
- For specific information on doing business with DOE, including obtaining specific information regarding public announcements on initiated acquisitions, registering to receive a solicitation and submit proposals for specific transactions, and obtaining information and guidance on DOE's acquisition
 - [FedConnect](#)
 - [FedBizOpps.gov](#)
- To be considered a small business, you must:
 - be registered in the [System for Award Management \(SAM\)](#) for the NAICS code associated with that opportunity
 - meet the required Business Size Standard as established by the [Small Business Administration \(SBA\)](#)
- Major revisions or cancellations may occur with contracting opportunities.
- DOE reserves the right to change the competition type from Competitive to Set-Aside prior to the release of the Request for Quotation (RFQ).
- You may search for a DOE's contact card by viewing [DOE's Phonebook](#).
- Advertising or marketing information submission is prohibited on this site.
