ORDER VACATING AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 4437-A

On September 9, 2019, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to AltaGas Ltd. in DOE/FE Order No. 4437 to import 0.15 billion cubic feet (Bcf) of natural gas from Canada via pipeline, and to export 0.15 Bcf of natural gas to Canada via pipeline over a two-year term beginning on September 9, 2019, and extending through September 8, 2021.

On March 4 2020, AltaGas Ltd., notified DOE/FE that it would like to vacate its blanket authorization. AltaGas Ltd., therefore, requests that DOE/FE vacate Order No. 4437 effective February 1, 2020.¹ DOE/FE finds good cause to do so.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import natural gas from Canada and to export natural gas to Canada granted to AltaGas Ltd. in DOE/FE Order No. 4437 is hereby vacated, effective February 1, 2020.

Issued in Washington, D.C., on March 13, 2020.

Amy R. Sweeney
Director, Division of Regulation, Analysis and Engagement
Office of Oil and Natural Gas
