FE DOCKET NO. 20-58-NG

ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 4553

JUNE 22, 2020

I. DESCRIPTION OF REQUEST

On May 29, 2020, Energy Source Natural Gas Inc.¹ (Energy Source Natural Gas) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)² for blanket authorization to import and export a combined total of 1 billion cubic feet (Bcf) of natural gas from and to Canada by pipeline. The applicant requests the authorization be granted for a two-year term beginning on July 1, 2020.³ Energy Source Natural Gas is a Canada corporation with its principal place of business in Guelph, Ontario, Canada.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangements meet the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest, and applications for such imports and exports must be granted without modification or delay. The authorization sought by Energy Source Natural Gas to import and export natural gas from and to Canada, a nation with which a free trade agreement requiring national treatment for trade in natural gas is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of not greater than two years.

¹ See email from Maranda Beattie-Roach, Operations Coordinator, Energy Source Natural Gas Inc. to DOE/FE (June 16, 2020).

² Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FE in Redelegation Order No. 00-002.04G issued on June 4, 2019.

³ Energy Source Natural Gas' blanket authorization to import and export natural gas from and to Canada, granted in DOE/FE Order No. 4177 on April 25, 2018, extends through June 30, 2020; *see also* email, *supra* note 1.

ORDER

Pursuant to section 3 of the NGA, it is ordered that:

A. Energy Source Natural Gas is authorized to import and export a combined total of 1 Bcf of natural gas from and to Canada, pursuant to transactions that have terms of not greater than two years. B. This natural gas may be imported and exported by pipeline at any point on the border between the United States and Canada.

C. **Monthly Reports:** With respect to the natural gas imports and exports authorized by this Order, Energy Source Natural Gas shall file with the Office of Regulation, Analysis, and Engagement, within 30 days following the last day of each calendar month, a report indicating whether imports or exports of natural gas have been made. E. All monthly report filings on Form FE-746R shall be made to the U.S. Department of Energy (FE-34), Office of Fossil Energy, Office of Regulation, Analysis, and Engagement, according to the methods of submission listed on the Form FE-746R reporting instructions available at <https://www.energy.gov/fe/services/natural-gas-regulation>.
