#### SUPPLEMENTARY INFORMATION:

##### Summary of Change in Control

Magnolia states that, at the time it filed its applications in this proceeding and through May 26, 2020, it was a wholly owned indirect subsidiary of

Liquefied Natural Gas Limited (LNGL), a publicly listed Australian company. Magnolia states that, on May 26, 2020, LNGL transferred all of its interest in Magnolia to Magnolia LNG Holdings, LLC (Magnolia Holdings), a Delaware limited liability company. Accordingly, Magnolia Holdings now holds 100% of the membership interests in Magnolia. Magnolia states that Magnolia Holdings is wholly owned by Glenfarne Infrastructure Holdings, LLC—which, in turn, is wholly owned by Glenfarne Group, LLC.

Additional details can be found in Magnolia's Notice, posted on the DOE/FE website at: <https://www.energy.gov/sites/prod/files/2020/06/f76/Magnolia%20LNG%20--%20Notice%20of%20Change%20in%20Control%20%2806-24-2020%29.pdf>.

#### DOE/FE Evaluation

DOE/FE will review Magnolia's Notice in accordance with its Procedures for Changes in Control Affecting Applications and Authorizations to Import or Export Natural Gas (CIC Procedures).<sup>1</sup> Consistent with the CIC Procedures, this notice addresses Magnolia's authorization to export liquefied natural gas (LNG) to non-free trade agreement (non-FTA) countries, granted in DOE/FE Order No. 3909.<sup>2</sup> If no interested person protests the change in control and DOE takes no action on its own motion, the proposed change in control will be deemed granted 30 days after publication in the **Federal Register**. If one or more protests are submitted, DOE will review any motions to intervene, protests, and answers, and will issue a determination as to whether the proposed change in control has been demonstrated to render the underlying authorization inconsistent with the public interest.

#### Public Comment Procedures

Interested persons will be provided 15 days from the date of publication of this notice in the **Federal Register** in order to move to intervene, protest, and answer Magnolia's Notice.<sup>3</sup> Protests, motions to intervene, notices of intervention, and written comments are invited in response to this notice only as to the change in control described in Magnolia's Notice. All protests,

<sup>1</sup> 79 FR 65541 (Nov. 5, 2014).

<sup>2</sup> Magnolia's Notice also applies to its existing FTA authorizations and its pending application to amend its non-FTA authorization (DOE/FE Order No. 3909), but DOE/FE will respond to those portions of the document separately pursuant to the CIC Procedures, 79 FR 65542.

<sup>3</sup> Intervention, if granted, would constitute intervention only in the change in control portion of this proceeding, as described herein.

comments, motions to intervene, or notices of intervention must meet the requirements specified by DOE's regulations in 10 CFR part 590.
