

Office of Packaging and Transportation FY2019 Highlights

The Office of Packaging and Transportation (OPT), within EM, seeks to protect people and the environment by ensuring safe, compliant, and efficient packaging and transportation of materials critical to successful Department operations. OPT achieves this mission by conducting packaging and transportation assessments and oversight; assisting field sites; and developing, managing, and advocating policies, orders, guidance and tools in accordance with DOE requirements and government regulations.

4,700 Hazmat shipments transported over 7.8M miles

2,361 first responders trained in 136 Transportation Emergency Preparedness Program courses
