

## Interested in Becoming a BETO Project Reviewer?

The U.S. Department of Energy (DOE) Office of Energy Efficiency and Renewable Energy (EERE) Bioenergy Technologies Office (BETO) is always in need of subject matter experts to review research funding applications.

### Applying is as easy as 1-2-3:

#### 1. Register:

Complete the application in EERE Exchange (see box at right).

#### 2. Email Us:

Email your resume to Valerie Reed  
Deputy Director  
[Valerie.Reed@ee.doe.gov](mailto:Valerie.Reed@ee.doe.gov).

#### 3. Contact Us:

Send your questions to  
[eere\\_bioenergy@ee.doe.gov](mailto:eere_bioenergy@ee.doe.gov). ■

### Apply to Be a BETO Reviewer

1. Go to the EERE Funding Opportunity Exchange website:  
[eere-exchange.energy.gov/Registration.aspx](https://eere-exchange.energy.gov/Registration.aspx)
2. Under "Registration," select the "Reviewer" button.
3. Under "Reviewer Registration," complete all four sections:
  - a. **General Information** — Provide your contact information, resume, and answer a few questions about your background.
  - b. **Account Information** — Create your account username and password.
  - c. **Areas of Expertise** — Select your primary and functional areas of expertise.
  - d. **Education and Experience** — Add your education, organizational affiliations, awards, and publications.
4. Check the box to certify that the information provided is accurate and complete.
5. Select the "Complete Reviewer Registration" button.
