DOE/FE ORDER NO. 4518-A

On March 25, 2020, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Prometheus Energy Group, Inc. (Prometheus Energy Group) in DOE/FE Order No. 4518 to import and export liquefied natural gas (LNG) from and to Canada and Mexico by truck, to export LNG to Canada and Mexico by vessel, and to import LNG from various international sources by vessel in a combined total volume equivalent to approximately 75 billion cubic feet of natural gas, over a two-year term beginning on April 5, 2020, and extending through April 4, 2022.

On October 8, 2020, Prometheus Energy Group requested DOE/FE vacate DOE/FE Order No. 4518 effective October 8, 2020.¹ In support of this request, Prometheus Energy Group states that it changed its corporate name to Stabilis GDS, Inc.² Prometheus Energy Group therefore requests that DOE/FE vacate Order No. 4518. DOE/FE finds good cause to do so.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import and export LNG from and to Canada and Mexico by truck, to export LNG to Canada and Mexico by vessel, and to import LNG from various international sources by vessel, granted to Prometheus Energy Group in DOE/FE Order No. 4518 is hereby vacated, effective October 8, 2020.
