STANDARD FORM 30 (REV. 11/2016) Prescribed by GSA FAR (48 CFR) 53.243
The purpose of this modification is to incorporate the following clause:

A. Refer to PART I, The Schedule, Section H, Special Contract Requirements. The following clause is incorporated as follows:

1. Clause H-45, Contractor Support to the State of New Mexico for Actinide Material Recovery

Contractor shall recover specific actinide materials from Lovelace Respiratory Research Institute in Albuquerque, New Mexico. Such material is considered by the New Mexico Environment Department to be radioactive. The National Nuclear Security Administration (NNSA) will provide a Defense Determination for such materials to the Contractor. Contractor’s activity shall include packaging, transporting and related activities necessary to ship the materials to Los Alamos National Laboratory for staging, storing, characterizing and dispositioning the materials. Requisite National Environmental Policy Act (NEPA) analyses shall be completed prior to recovery. Contractor shall perform the recovery pursuant to a Recovery Activity Plan to be developed by the Contractor in coordination with NNSA and approved by the Contracting Officer (CO). The Recovery Activity Plan shall: identify specific activities for each phase (packaging and transportation, staging, storing, characterization and disposition); encompass all aspects of performance; identify legal, contractual and regulatory compliance requirements, including, but not limited to, Department of Energy Regulations at 10 CFR 824, 830, 835, and 851, hazardous material transportation requirements, and other applicable environmental, safety and health requirements; and provide for review by a designated Contracting Officer Representative at the conclusion of each phase and approval to the start the next phase. The Plan shall include all “ES&H performance requirements” for purposes of I-21, DEAR 970.5215-3 CONDITIONAL PAYMENT OF FEE, PROFIT, AND OTHER INCENTIVES (AUG 2009) ALTERNATE II (AUG 2009) (NNSA CLASS DEVIATION MAY 2016).

Contracting Officer approval of the Plan shall be deemed as an acknowledgement that the Plan meets the requirements of this contract including this clause. Contractor’s execution of work consistent with the Plan shall be deemed in compliance with all applicable contract and performance requirements. Any deviation to or from the approved Plan shall require the express written approval, in advance from CO prior to executing such deviation. If a Field change to the Plan is required, Contractor shall pause work and seek NNSA direction prior to performing any further work under this clause.
