

U.S. Department of Energy Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grant Program

Project Title WI-City-Green Bay

Location: City Green Bay WI

Proposed Action or Project Description:

American Recovery and Reinvestment Act:

1) Acquisition of technical services to support completion of the initial application (completed) and hire a part-time technical consultant/sustainability coordinator to conduct energy efficiency and conservation workshops, training, and education, and perform other program-related work; 2) implementation of a home energy audit incentive program to encourage homeowners to conduct home energy audits; 3) performance of energy efficiency and conservation retrofits on identified municipal facilities (lighting; boiler pump motor replacement; occupancy sensors, well pump motors, washers, elevator drives, drive motors, and hot water heater replacement; ceiling tile replacements; and install urinal sensors); 4) computer management system installation at City Hall; 5) HVAC retrofits to identified city facilities; 6) weatherization upgrades to identified city facilities; 7) acquisition of technical services to conduct greenhouse gas audits of 20 municipal facilities and fleet vehicles (ongoing); 8) installation of energy efficient lighting on the downtown bridges; and 9) bicycle path retrofits and painting.

Conditions: None--SHPO approval 4/6/2010

Categorical Exclusion(s) Applied: A1, A9, A11, B1.32, B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR10 21

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.

ORO NEPA Compliance Officer

Gary S. Hartman
