

the Department of Energy on the progress during the development of the products and will agree upon the contents of the products before advising the Department to adopt the language. The Committee will function solely as an advisory body. The Secretary of Energy has determined that establishment of the Climate Change Science Program Product Development Advisory Committee is essential to the conduct of the Department's business and in the public interest in connection with the performance of duties imposed by law upon the Department of Energy. The Committee will operate in accordance with the provisions of the Federal Advisory Committee Act (Pub. L. No. 92-463), the General Services Administration Final Rule on Federal Advisory Committee Management, and other directives and instructions issued in implementation of those acts.
