Environmental Management Site-Specific Advisory Board
Public Meeting - April 29, 2010

EM Environmental Management

safety ❖ performance ❖ cleanup ❖ closure

www.em.doe.gov

What is Vyew?

- Vyew is a next-generation online collaboration and web conferencing service that brings people and content together.
- With Vyew you can host LIVE conferences and work collaboratively.
- Inside Vyew you can also stream live or capture what is showing on your desktop.
- The EM SSAB Chairs will be using Vyew to conduct future Chairs calls.

Leslie on 1/8/10 1

Leslie Rodriguez: If you hit F11 it will enlarge the screen.

Ward Best: Oh, Hi I was just doing a check of all my active vviewbooks, just passing through
